**ASAA 1A BOYS
Provincial Basketball Championship
March 17 – 19, 2022**

Welcome & good luck to all teams!

From THE ASAA Executive Director

Well, it has now been three years since an ASAA Basketball championship has been held and it is very exciting for me to be welcoming students and coaches back to school sport on behalf of the ASAA.

I have never taken school athletics for granted – it has been a passion of mine since I was a high school student, then later a high school teacher coach and for many years now, a high school athletics administrator. What I did learn over the past two years since the pandemic started was that the passion students, coaches and parents/guardians have for school sports is alive and well.

Whilst we lost many school athletic opportunities during the pandemic, the reports I have received through the 2021/22 school year so far point to an increased interest in school athletics from both an athlete and a spectator perspective.

Studies have shown that the levels of anxiety and depression in student athletes increased significantly as a result of losing school sport, and I trust we will see much more positive mental health in our student athletes resulting from a return to school sport.

While we must remain vigilant in the ways we reduce the potential for communicable disease spread in school sports, we must be grateful for the opportunities that now present themselves for students to participate in as safe a setting as is possible given the enhanced sanitization and other modifications being applied at this event.

I wish to thank the IA Boys Basketball Championship host Paul Erickson, principal Sarah Holmgren, the students and volunteers at Livingstone School for hosting this event. I also want to thank them for pivoting many times as Government restrictions have changed and impacted their planning. They will do all they can to ensure a safe and enjoyable event for student athletes, coaches and spectators both here and at home via livestreaming. We cannot run our championships without these outstanding volunteers.

I wish you all well!

John Paton
Executive Director
ASAA

On behalf of the students, staff and Livingstone school community, it is my pleasure to welcome all athletes, coaches, officials and spectators to the 2022 ASAA 1A Boys Basketball Provincial Championships. It is a special honour to host Provincials after two long years away from the sport, and we hope to make it one to remember.

As we know, this event cannot happen without our amazing volunteers who have dedicated countless hours in making this event possible. These volunteers include parents, students, staff, coaches and other community members, all of whom have been working tirelessly to create an amazing event for all tournament participants.

I want to share a special thank you to the staff of Matthew Halton School for allowing us to use their facilities. The Livingstone School gym is too small to accommodate the large number of players and spectators that we hope to see throughout the weekend.

Finally, I would like to say congratulations to all of the teams who have made it this far. We look forward to cheering all of you on, and hope that no matter where you place, you leave feeling proud of your accomplishments!

Sarah Holmgren
Principal

Livingstone School, Lundbreck, Alberta

Located in the heart of southern Alberta's farming and ranching country, and minutes away from the majestic Livingstone Range and Rocky Mountains to the west, Livingstone School is nestled in the small community of Lundbreck, Alberta. Situated between Pincher Creek and the Crowsnest Pass, our small rural school offers a unique and very successful K - 12 program.

Town of Pincher Creek

Welcome to Pincher Creek, southwest Alberta's basecamp for adventure! We invite you to explore and experience all that our community has to offer. The area has a long history of farming and ranching and we are also very fortunate to be surrounded by the diverse and beautiful landscape. Pincher Creek is close to many of Southern Alberta's finest parks and recreation opportunities.

Sportsmanship

Code of Conduct

Livingstone Range
SCHOOL DIVISION

Players must:

- Recognize and accept that they are student athlete representatives, ambassadors and positive role models within our school and communities
- Demonstrate courtesy and good sportsmanship by accepting the judgement of officials
- Show respect to teammates as well as opposing athletes, coaches and spectators

Coaches must:

- Lead by example and demonstrate qualities of courtesy, good sportsmanship and fair play
- Provide for the well-being of their players
- Place the emotional and physical well-being of their players ahead of their personal desire to win
- Model proper acceptance of the judgements made by officials

Spectators must:

- Present a positive role model for students
- Demonstrate courtesy and good sportsmanship by cheering for their team and not against the opposing team
- Show proper acceptance of the judgement by coaches and officials
- Follow the regulations set by the school division for use of its facilities.

23	Gareth Kaack	Forward	6'1"	12

Team History:

Congratulations to all teams on reaching the 2022 Provincial Tournament. This year has been a very different year for Livingstone with Covid having an effect on tournaments – I'm sure teams can relate. We've had to overcome scheduling changes, cancellations and injuries. Our players have worked very hard this season and faced the challenges with hard work and a positive attitude. I want to thank Paul and the organizers and volunteers for their hard work for putting on this event.

11	Grant Mackay	Forward	11
15	Matthew Van Middelkoop	Forward	9
21	Asher Slomp	Forward	10

Team History:

The Titans have had an interesting season this year for a variety of reasons. Being back in the gym and playing games was a huge thrill for the boys, and we are extremely thankful that we were able to have a near-normal season. We also took a big step forward in our program by joining the Deep South League. This gave us regular games against high quality opponents that really helped bring this team to where it is. We also struggled through some significant injuries, that in the end, has made us a better team. Being such a young group, the Titans have had a terrific season capped off by winning the South Zone Championship! We look forward to a great weekend of basketball and want to thank our good friends from Livingstone for hosting this year.

Team History:

Our 2021/22 season started off slowly with many key players missing due to injuries and quarantine. With a mostly full roster we captured a bronze at the Nanton Invitational in February. We entered playoffs defeating Rundle Academy in the semi-final, and then captured the league championship with a one point victory in overtime against Ecole la Rose Sauvage. The provincial challenge game was played against Edmonton's PICS, where we came out victorious.

41/12	Justin Myschuk	Post	12

Team History:

We are proud of our season after missing two post-seasons due to Covid. We ended up with a 24-4 record after zone play with highlights including winning the Central Zone Championship, a home tournament win and numerous silver medal finishes at other tournaments. We started the season off hoping to play in Central Zones and gradually changed our goals as time went on. We have a great group of kids who play team basketball and who are excited to participate in these Provincials! A big thank you to Livingstone for hosting us. We greatly appreciate it and wish the other teams good luck!

Team History:

Worsley Central School and Menno Simons Community School have had a joint team for years. As things began to open up following Covid restrictions, our athletes were eager and ready to begin practicing and competing again. This year's coaching staff attended Provincials at Livingstone School as students themselves. This made it extra motivating to work towards qualifying for Provincials this year. Our players brought home medals from a number of tournaments where they played and beat both 1A and 2A schools.

14	Samuel Nelson	Forward	5'10"	9
16	Josiah Nelson	Centre	6'2"	11
17	Jaycob Adams	Forward	6'1"	10

Team History:

The E.H. Walter boys started out the season a bit worried as our roster was relatively short compared to previous seasons, and with very few Grade 12's on the team, we knew we had our work cut out for us. The boys worked hard and fought through the adversity and restrictions caused by the pandemic to build one of the strongest teams in a long time. We ended the season with a winning record and held several tough victories over schools from higher divisions. Everything came together at the right time as the boys played difficult competition and pulled away with the banner.
