DISCIPLINE & MISCONDUCT

- Breaches of the ASAA Code of Ethics are treated seriously and, as hosts, we are required to immediately report to the ASAA office any breaches that come to our attention. A portion of the ASAA Code of Ethics states “Any conduct, including, but not limited to ejections, fighting, drugs and alcohol use, that results in dishonor to the athlete, the team, the school or the ASAA will not be tolerated.”

- Coaches and/or athletes who have been ejected from a game will be required to leave the school premises for the duration of that match.

GRIEVANCE/DISCIPLINE COMMITTEE

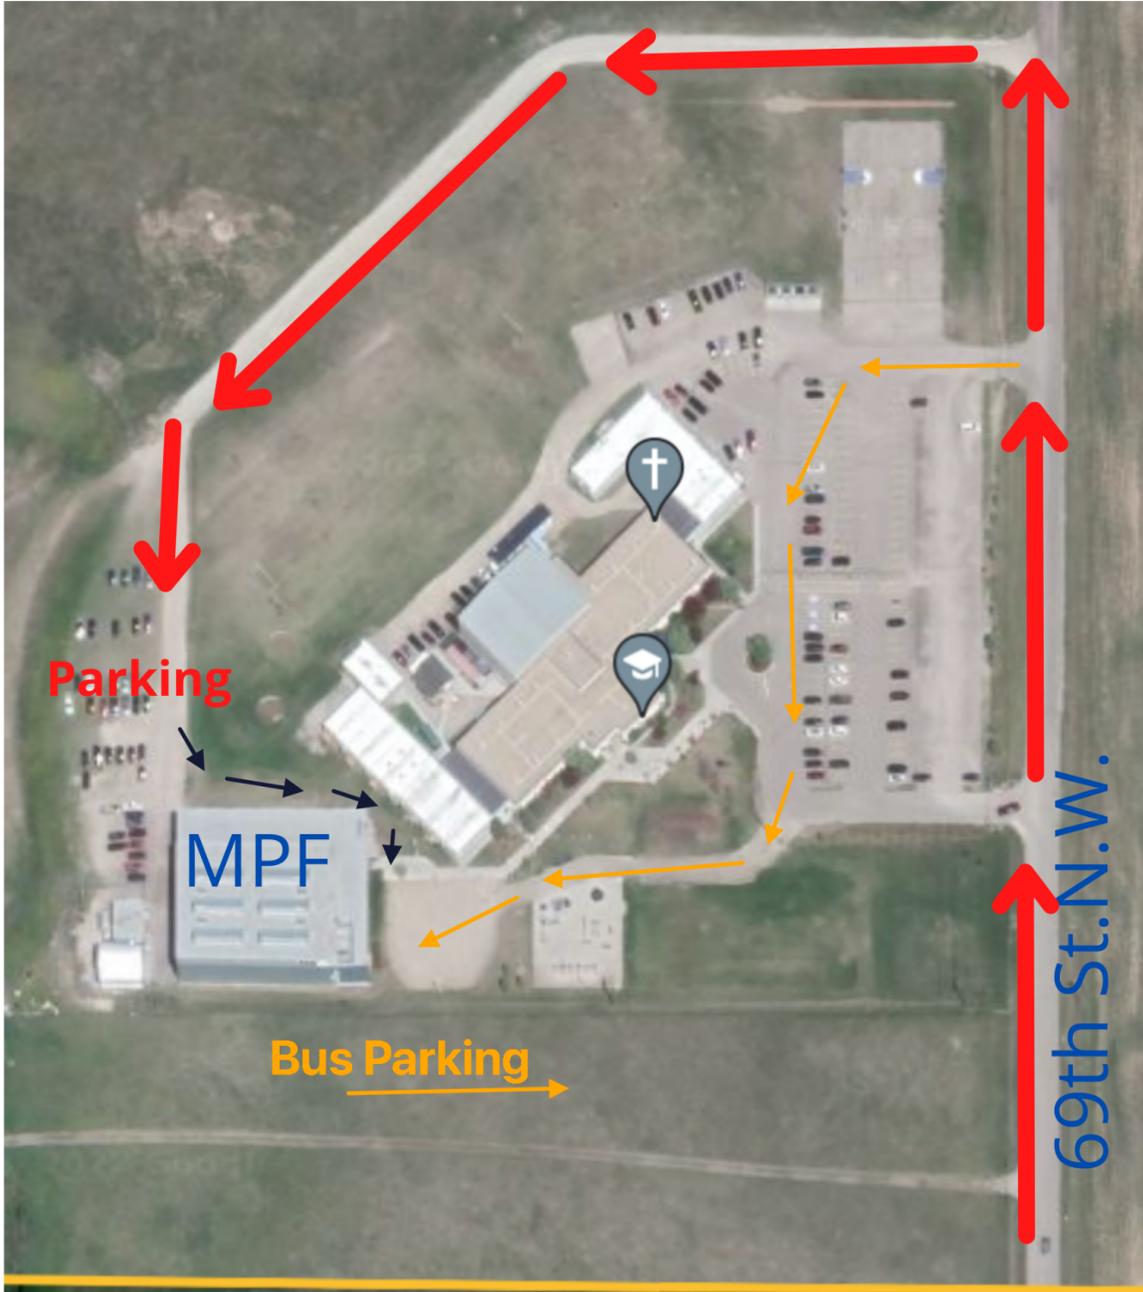

- A Grievance/Discipline Committee will be in place to review any and all concerns that may occur. These will include appeals of application of ASAA policy (e.g. automatic game suspension for ejection of an athlete or coach), as well as tournament concerns.

CODE OF CONDUCT

- We remind all about the standards of behavior and performance for which the ASAA stands – applying the team's members as well as supporters. Fair play and sportsmanship of team members are expectations of the ASAA and the Organizing Committee, and the responsibility of coaches.
- While hosts will monitor and address unacceptable spectator behavior, we will – if necessary – call on team delegates to assist with their fans.
- A reminder that artificial noisemakers are not allowed at ASAA events.
- If a coach or player that is disqualified will receive a one game suspension. If it is the teacher sponsor that is disqualified, and no other teacher sponsor is available for that team, the team will not be allowed to participate in their following game.
