Welcome

“Strive to be the best you can be” is a challenge that all great educators encourage of their students. In the school sport setting, it is no different.

Both volunteer teacher-coaches and volunteer community-coaches in school sport share the same dream for their students; This will be evident in the interactions you will see this weekend between those coaches and their student athletes.

First and Foremost, I wish to acknowledge that this event is being hosted on Treaty 8 Territory, traditional lands of First Nations and Metis peoples. On behalf of the ASAA, I congratulate participating student athletes and their coaches for the success they have achieved in making it to this 2018 ASAA 4A Boys & Girls Volleyball Provincial Championship being hosted by Charles Spencer and the broader Grande Prairie community.

Melanie Matheson & Mat Snider have been working on organizing this championship for over a year along with their volunteer committee here at Charles Spencer to make sure that your positive experience at this championship is one that you will never forget. I want to thank Melanie & Mat for their outstanding efforts, as well as school Principal, Michelle Blair for her support in allowing their staff the time to make this event a life memory for participating students. I encourage all participants to thank their hosts personally.

Each year, over 8,000 students progress to ASAA provincials. We are proud of these young Albertans and we know that they will go on to be leaders in their workplaces and communities in the years ahead. I challenge these young leaders and their coaches to lead by example and to display the highest levels of sportsmanship, ethics, integrity and respect throughout this championship. How you handle a loss often tells us more about your character than how you handle a win. Display the character you wish to see in others.

On behalf of the ASAA, I thank Platinum partners Alberta Milk and SUBWAY, our Gold level partner Morgex Insurance, souvenir apparel provider Elite Promotional Marketing, and ASAA's official suppliers which are listed throughout this championship program. The ongoing support of these corporate partners assists the ASAA in providing a better experience for student athletes across the province.

May you take home a medal or sportsmanship award this weekend, but more importantly my wish is for you take away memories that will last a lifetime.

Welcome to Grande Prairie

Sandy McDonald, Superintendent

Grande Prairie Public School District

Hello. It is my absolute pleasure to welcome you to Grande Prairie, to Charles Spencer High School, and to the Grande Prairie Public School District for the 2018 Alberta 4A Volleyball Provincials. Athletic competition is an important piece of a well-rounded education system. It plays a valuable role in development of our youth and we are thrilled to welcome the provincial championships to Grande Prairie this year.

This weekend, athletes, coaches, officials, and spectators from across Alberta are coming to our District and our Community to watch the best high school volleyball in the province. To the athletes; play hard and play fair. Leave nothing on the court this weekend. To the spectators; enjoy the competition, cheer hard, celebrate the excellence of the athletes, and in between matches enjoy the very best that Grande Prairie has to offer. Tour the community, enjoy the art galleries, the recreational facilities, and the many unique features that make Grande Prairie a delight to visit.

Our staff from Charles Spencer High School, their partners from GPRC and GPCSD for this event, and all of the amazing team of volunteers are pleased to be your hosts this weekend. They have been waiting for you, are glad you made it here safely, and hope you have an excellent visit!

Bill Given, Mayor

City of Grande Prairie

Players, Coaches, and Spectators—Welcome to Grande Prairie!

I am very excited to welcome all of you to the 4A Provincial High School Volleyball Championships.

Our region has earned a reputation as a place that excels at hosting athlete focused Provincial, National, and International sporting events and I'm sure this event will be no different. As you may know, our region has a proud tradition of competitive high school volleyball teams so we couldn't be happier to host the province's best as you all seek to take home the championship.

I know that lasting memories are made at events like this, so I'd like to say a special thank you to everyone behind the scenes who makes that possible. There is an army of volunteers who helped to organize and deliver this exciting event, and we should all be thankful for their efforts.

While you're here, I'd invite you to explore Grande Prairie and experience our local hospitality. Our region offers everything from surfing, right next door at the Eastlink Centre, to the province's second largest public art gallery downtown and the Philip J. Currie Dinosaur Museum just minutes away in Wembley.

Enjoy your stay with us; enjoy Provincials, make some good memories, and good luck!

Michelle Blair, Principal

Charles Spencer High School

It is a pleasure to be able to welcome all athletes, coaches, and spectators to Charles Spencer High School, host site of the 2018 ASAA 4A Provincial Volleyball Championships and home to the Mavericks.

Newly opened in 2014, this is our first opportunity to host an event of this magnitude. We are proud to share our home with you over the next three days and we hope that your time with us will be enjoyable.

Thank you to the many volunteers that helped to put on this event. From the school staff that have spent the last year preparing for this event, to the students and community members that have given their time to volunteer, we could not have done this without you. To all the athletes, congratulations on your season and on the efforts that have lead you to these provincials.

Good luck with your games this weekend and I hope you have a truly memorable week.

Chestermere High School Lakers

This season, the Chestermere High School Lakers consists of 5 returning players and 5 rookies. Some tournament highlights include a second place finish in the W.H. Croxford CVI tournament. Overall, the experiences the girls faced in heightened competition at Foothills Composite and Medicine Hat High School led to the teams strong finish in the last two weeks of the season. The Lakers finished 3rd in the RVS division beating out Bert Church High School and with that momentum was able to win South Central Zones defeating Foothills in straight sets. This will be a great opportunity for a team that consists of only one grade 12.
