Welcome

What an achievement it is to make it to a high school sport championship.

As we enter our first “normal” full year of school sport since the 2018/2019 school year, I am excited to see student athletes and coaches back in action. On behalf of the ASAA I hope this provincial championship experience provides some wonderful life memories for you all and I welcome you to this 2023 ASAA Cheerleading Provincial Championship.

It has been gratifying to see school athletics in its many forms take centre stage again here in Alberta. We have learned during the pandemic not to take things for granted, and we are grateful for those volunteer teachers and community members who step up to donate their time to coach and manage school sport teams. Regardless of the many years I have been overseeing high school athletics, each year I am awed by the passion, commitment, camaraderie and dedication of over 50,000 student athlete participants who strive to make it to provincials. I continue to be incredibly impressed by those coaches and others who step up to work with these students at a time when others have decided to pack it in. Our student athletes would not be here without you.

On behalf of ASAA and the student athletes, coaches, parents and others at this 2023 Cheerleading Provincial Championship and Morinville Community High School, I wish to thank the championship host Amanda Bulger for the many sacrifices she has made and countless hours spent making this a championship to be remembered. Without our volunteer Chair and their crew of volunteers, ASAA Championship events could not run as they do.

I want to thank our Platinum partner Alberta Milk, and Gold partner Morgex Insurance for their outstanding support of this championship. Have a great time this weekend; compete hard, support your team and most importantly, show exemplary sportsmanship, win or lose.

I wish you all well!

John Paton

A huge thank you to all the parent volunteers that have helped put together this extravaganza of talent. The logistics are complex, and the time and effort is immense. To the coaches and athletes, all your hard has come to fruition and we look forward to seeing the final product as you compete over the next two days. We wish all the teams competing good luck, and hope you build some memories that will last a life time.

The journey to Competitive cheer is relatively new for ABJ! Throughout the past 4 years, we have grown from a mostly recreational team to a full competition team, and are so thrilled to be at this year's provincials! This year's athletes include nine students who are dedicated to working on their skills, have an incredible sense of teamwork, and are engaged in our school community! After provincials, we are saying 'farewell' to three senior athletes who have been an amazing piece of our team for the past few years. ABJ is so proud of the cheer team and how far they have come, as this is the first time ABJ has been to cheerleading provincials!

EPC has had many challenges with losing team members and changing routines in between competitions due to injuries, but the team has come together and pulled through this year. We had great success at Cheerfest placing 3rd and qualifying for Provincials. We also Placed 3rd at True North and 3rd at Rise Up Cheer Competition. We have had many obstacles this year but we are determined to keep going, which leads us into Provincials.
