## **What an achievement it is to make it to a high school sport championship.**

As we enter our first “normal” full year of school sport since the 2018/2019 school year, I am excited to see student athletes and coaches back in action. On behalf of the ASAA I hope this provincial championship experience provides some wonderful life memories for you all and I welcome you to the 2023 Curling Provincial Championship!

It has been gratifying to see school athletics in its many forms take centre stage again here in Alberta. We have learned during the pandemic not to take things for granted, and we are grateful for those volunteer teachers and community members who step up to donate their time to coach and manage school sport teams. Regardless of the many years I have been overseeing high school athletics, each year I am awed by the passion, commitment, camaraderie and dedication of over 50,000 student athlete participants who strive to make it to provincials. I continue to be incredibly impressed by those coaches and others who step up to work with these students at a time when others have decided to pack it in. Our student athletes would not be here without you.

On behalf of the ASAA and the student athletes, coaches, parents and others at the 2023 Curling Provincial Championship, I wish to thank the championship host Hank Smid for the many sacrifices he has made and his countless hours spent making this championship to be remembered. Without people like him and his crew of volunteers, ASAA Championship events could not run as they do.

I want to thank our Platinum partner Alberta Milk and Gold partner Morgex Insurance for their outstanding support of this championship. Have a great time this weekend; play hard, support your team and most importantly, show exemplary sportsmanship, win or lose.

*I wish you all well!*
