First Aid and Athletic Therapy

Teams must bring their own medical supplies and plan to do their own taping. Ice will be provided and paramedics will be present on site on the stage in the Large Gym and just outside of the gym office in the small gym. An AED is located in the hallway south of the gym and across from the main office doors.

Grievance and Protest Committee

The Grievance committee's key function is to deal with matters that occur during competition, typically discipline/conduct issues or to handle any other matters that arise that require dispute resolution. (Anything that falls outside the boundaries of the technical competition.) In case of any grievances, there will be a committee in place to hear the situation. Members of the grievance committee will include the tournament chairperson or a tournament committee representative, the wrestling commissioner, and the one coach from each of the three zones. These members will be decided upon at the coaches meeting.

Protest procedures and resultant consequences will follow the WCL on mat protocol.
