## 2A BOYS VOLLEYBALL

Nov 25–27, 2021

Assumption Jr/Sr High, Cold Lake

# The Assumption

welcome you to:

November 25 - 27, 2021

## FROM THE EXECUTIVE DIRECTOR:

Well, it has been two years since an ASAA Championship in Volleyball was held and it is very exciting for me to be welcoming students and coaches back to school sport on behalf of the ASAA.

I have never taken school athletics for granted - it has been a passion for me since I was a high school student, then later a high school coach and for many years now, a high school athletics administrator. What I did learn over the past 20 months since the pandemic started was that the passion students, coaches and parents/guardians have for school sport is alive and well.

Whilst we lost many school athletic opportunities during the pandemic, the reports I have received in the fall of 2021 point to an increased interest in school athletics from both an athlete and a spectator perspective.

Studies have shown that the levels of anxiety and depression in student athletes increased significantly as a result of losing school sport, and I trust we will see much more positive mental health in our student athletes resulting from a return to school sport. While we must remain vigilant in the ways we reduce the potential for communicable disease spread in school

sports, we must be grateful for the opportunities that now present themselves for students to participate in as safe a setting as is possible given the modifications being applied at this event.

I wish to thank the championship host Jason Kozlow, Principal Leanne MacDonald, and all the students and volunteers at Assumption Jr/Sr High for their positive approach to this 2A Boys Volleyball ASAA Championship and for doing all they can to ensure a safe and enjoyable event for all student athletes, coaches and spectators attending. We cannot run our championships without these outstanding volunteers.

I wish you all well,

**JOHN PATON**  
**EXECUTIVE DIRECTOR**

## Christ Our Model. Children Our Focus.

Welcome to Assumption Junior/Senior High School and the 2A Boys Provincial Volleyball Finals!

It is a pleasure for our school to be hosting this exciting event. Even though this year is not what we would have liked it to be, we are thrilled that we are able to host this championship event. Many people have been involved in the organization of these three days of provincial finals. It is our sincere hope that the student athletes, coaches, and team staff will find the facilities, the school personnel and the community of Cold Lake to be welcoming and gracious hosts.

Special thanks to the committee for their hard work and to all the volunteers for helping make this a wonderful event!

Good luck to all participants! Enjoy the tournament and your time at Assumption Junior/Senior High School!

**Leanne MacDonald**

Principal

**Elaine Ernst**

Vice Principal

I would like to welcome all participants and spectators who have come to the City of Cold Lake for the 2A Boys' Volleyball Provincials.

Without the enthusiasm of coaches, parents, and volunteers, events like this would not be able to come together. Their support for our youth is greatly appreciated, and I would like to thank each of them for the countless hours they spend dedicated to the kids and the sport. You are the people who help make this event possible.

I would also like to thank Assumption Junior and Senior High School for hosting the event, and all of the staff, volunteers, and officials who work diligently to make this event happen. I know this tournament will give everyone a chance to build new friendships and make great memories.

Our community has a lot to offer, and I hope that in your time here you have the opportunity to discover and explore the city's hidden gems. I trust that all of our visitors have found a warm welcome, and that your time spent in the City of Cold Lake will be pleasant.

Best of luck to all the teams in the tournament. You have all worked hard to get where you are.

Regards,

Mayor Craig Copeland

The Spartans are excited to return to the ASAA 2A Boys Volleyball Provincial Championships. Due to COVID-19 our normal season was greatly impacted, but we had many opportunities to play high level volleyball at a variety of levels, most often competing against 4A schools. We finished 3rd in Foothills Athletic Council league play and at the Bearspaw Invitational tournament. The Spartans had an impressive sweep at the South Central Zone tournament, with a set record of 12-2. We would like to wish all teams a great tournament and best of luck in round-robin and playoff action.
