ASAA PROGRAM

2A Boys
BASKETBALL

March 16–18, 2023
Glenmary, North West Zone

Welcome

What an achievement it is to make it to a high school sport championship.

As we enter our first “normal” full year of school sport since the 2018/2019 school year, I am excited to see student athletes and coaches back in action. On behalf of the ASAA I hope this provincial championship experience provides some wonderful life memories for you all and I welcome you to the 2023 2A Boys Basketball Provincial Championship!

It has been gratifying to see school athletics in its many forms take centre stage again here in Alberta. We have learned during the pandemic not to take things for granted, and we are grateful for those volunteer teachers and community members who step up to donate their time to coach and manage school sport teams. Regardless of the many years I have been overseeing high school athletics, each year I am awed by the passion, commitment, camaraderie and dedication of over 50,000 student athlete participants who strive to make it to provincials. I continue to be incredibly impressed by those coaches and others who step up to work with these students at a time when others have decided to pack it in. Our student athletes would not be here without you.

On behalf of the ASAA and the student athletes, coaches, parents and others at the 2023 2A boys Basketball Provincial Championship, I wish to thank the championship host Darren Flynn for the many sacrifices he has made and his countless hours spent making this championship to be remembered. Without people like him and his crew of volunteers, ASAA Championship events could not run as they do.

I want to thank our Platinum partner Alberta Milk and Gold partner Morgex Insurance for their outstanding support of this championship. Have a great time this weekend; play hard, support your team and most importantly, show exemplary sportsmanship, win or lose.

I wish you all well!

We are in a rebuilding year, with a young team that is eager to prove themselves in each tournament. With only four grade 12 vets, two grade 11 players and seven grade 10 rookies, growth and development through the season has been our focus, as our team's gains experience together. Our highlights this season have included, our trip to San Diego California in December for a tournament where we placed in 4th. The two gold medals won, first at the Glenmary Sr. Red & Gold Tournament, and then at the Earle J Guertin Tournament held in Fairview. The SJC Crusaders came into the season following last years results of making it to the 2A Provincial Championships and earning the Sportsmanship award. With a returning core of players and solid grade 10's and 11's joining the team, expectations were high for the current group. So far, they have been successful rising to the challenge with a 22 win to 4 loss record on the season, along with a #4 ranking provincially. The Crusaders are looking to best the schools history of sportsmanship winners and finalist placings and achieve Provincials glory as champions. We look forward to some great competition.

Stirling finished the season with a 17-9 record and finished 3rd in the Deep South League. Over the course of the season, the Lakers finished 2nd and 3rd in multiple tournaments and won the Olds Koinonia Tournament after defeating a tough 3A school George McDougall in the final. At year's end, Stirling was ranked 2nd in the South Zone and knew they would need to play well if they wanted to win a South Zone banner. After a late fourth quarter comeback and an exciting overtime victory against league rival WR Myers, Stirling was unable to secure the South Zone championship losing to a very talented Kate Andrews team. Nevertheless, after a season that saw its share of highs and lows, the Lakers made a goal at the beginning of the year to make it to provincials and are excited about the opportunity they have to compete against the best 2A teams in the province!

The Grand Trunk Grizzlies played a phenomenal 2022-2023 season, finishing 22-4 against ASAA teams. The highlights of the year started with a very slick two point win in their December home tournament. The next victory came right after the Christmas break in Edson. After some tough tournaments that showed tremendous growth and learning, the boys managed to finish up league play undefeated, and brought home the GCAA banner. Four days later they faced John Maland in a rematch of last year's zone final, this time winning by 23 points. Grand Trunk has a lot of momentum coming into zones, and is lead by an incredibly experienced group of grade 12s that embrace being the underdog!
