## FROM THE EXECUTIVE DIRECTOR:

Well, it has been two years since an ASAA Championship in Volleyball was held and it is very exciting for me to be welcoming students and coaches back to school sport on behalf of the ASAA.

I have never taken school athletics for granted - it has been a passion for me since I was a high school student, then later a high school coach and for many years now, a high school athletics administrator. What I did learn over the past 20 months since the pandemic started was that the passion students, coaches and parents/guardians have for school sport is alive and well.

Whilst we lost many school athletic opportunities during the pandemic, the reports I have received in the fall of 2021 point to an increased interest in school athletics from both an athlete and a spectator perspective.

Studies have shown that the levels of anxiety and depression in student athletes increased significantly as a result of losing school sport, and I trust we will see much more positive mental health in our student athletes resulting from a return to school sport. While we must remain vigilant in the ways we reduce the potential for communicable disease spread in school

sports, we must be grateful for the opportunities that now present themselves for students to participate in as safe a setting as is possible given the modifications being applied at this event.

I wish to thank the championship host AJ Berghenengouwen, Principal Mark Dejong, and all the students and volunteers at St. Mary for their positive approach to this 2A Girls Volleyball ASAA Championship and for doing all they can to ensure a safe and enjoyable event for all student athletes, coaches and spectators attending. We cannot run our championships without these outstanding volunteers.

I wish you all well,

## Greetings from the Principal of St. Mary's School

St. Mary's School is a Catholic-Christian community where the dignity of all people is upheld through the teachings of Jesus. Our school is committed to assisting students to grow in their God given vocation in a caring, positive, and supportive environment. St. Mary's has a long history of success in athletics and I wish to extend a warm welcome to all athletes, coaches, and roster designated adults of the championship event. We are honored and excited to host the 2021 2A Provincial ASAA Girls Volleyball Championship.

Provincials are the culmination of an already successful season. Congratulation to all athletes, coaches and managers for a job well done. There is plenty of excitement as teams compete for the banner, and I pray that all involved compete with sportsmanship and integrity.

Again, we are honored to have this opportunity to bring you the Provincial Championship. Please know that this is a school and community effort. We have parent volunteers helping out at the at all venues and we have had many students assisting with numerous tasks to make this tournament successful. Many community organizations that have generously donated both time and money to show their support for all of the student athletes. Additionally, we are filming and livestreaming the games so that parents, grandparents, and friends who are unable to attend, can watch the games live online. Many businesses in Taber will be showing the live-stream throughout the weekend.

I hope that you have both an enjoyable and memorable experience with us. Thank you for visiting St. Mary's School and the town of Taber.

Sincerely,

Mark DeJong

To the Participants and Guests of the 2A Girls Volleyball Provincials 2021,

On behalf of Council of the Town of Taber, I would like to welcome you to our community. We are looking forward to having so many dedicated and passionate individuals participating in such a fantastic event. Hosting Volleyball Provincials is a great honour, and we know that St. Mary's School and the organizers of the event will show you the very best of our community and its spirit. Though it has been a while since we have been able to see events such as these in person, our community is excited to see the return of in-person sporting events. It is our sincerest hope that you have a safe time during this tournament.

The 2A Girls Volleyball Provincials showcase the very best of the sport, whether it is through the teamwork of the athletes, the dedication of the coaches, the enthusiasm of the families cheering the players on, or the selflessness of the volunteers helping with events such as these. Sportsmanship on every level will be on display, and we know a great many memories will be made throughout the competition.

While you are here in Taber, I hope you enjoy the many amenities we have to offer and the friendliness of our citizens. Please know that you are always welcome back in Taber, whether you are playing sports or dropping by for a visit.

I hope that you enjoy the entire weekend, and wish every player the very best of luck in the upcoming tournament. No matter the outcome of the tournament, you are all winners in the Town of Taber's eyes.

Sincerely,

Andrew Prokop

# 2A Volleyball Provincials

After a full year off due to COVID this group of girls was eager to get back on the court. They started the season with a bang (and a lot of smiles), winning their home tournament. They followed this up with another win in Drayton Valley and a strong showing in a big 3A tournament in Barrhead. Building on their success over the course of the season the team went into zones ranked 1st and proved the ranking correct

going a perfect 8-0 at the tournament and winning 16 of the 17 sets they competed in. They have enjoyed a great season on and off the court and are thrilled to be representing North Central

## Prairie Christian Academy Sabres

The Prairie Christian Academy Sabres are rolling into Provincials with key wins against perennial zone rivals, Three Hills School and Strathcona Tweedsmuir School. Our team consists entirely of grade 10 and 11 girls, with some key young players introduced into our starting line-up. Whether we are on the attack or defense, our girls never give up on a ball and play aggressively. Our play is driven by our ability to make key plays under pressure. While we are a younger team, our confidence in each other is key to our victories. We went undefeated in Zones and eagerly await any challenger at Provincials.
