## HISTORICAL OVERVIEW

The first organizational meeting of the Alberta Schools' Athletic Association (now known as School Sport Alberta) was held in Calgary on March 17, 1956. The first meeting was inspired by the desire to have a provincial championship in high school boys' basketball and the realization that it was time to establish a structure for the overall coordination of school sport in the province. Out of that meeting came the first provincial basketball tournament as well as the constitution that has been the cornerstone for the growth and development of the association for almost 70 years.

The activities sponsored by the association have continued to grow in accordance with the consistent increase in membership (schools). The participation in boys basketball continued to increase and girls began to compete at the provincial level in 1960. By 1966, both boys and girls were competing in A, B, and C divisions. Track & Field was the second activity sponsored by the Association with the first provincial competition held on a horse track in Stettler in 1958. Badminton was added to the schedule of provincial events in 1963 and soon after, in 1964, the first association volleyball competition was held. It was not until 1968 that cross country was hosted, bringing the total number of activities to five.

In 1970, gymnastics was held in Calgary, followed in 1971 by wrestling and in 1977 by curling. By 1983, there was a demand for golf and cheerleading provincials, so those two sports were adopted by the association. Football was added in 1985 but gymnastics was eliminated in 1989. In 1995, girls' wrestling was introduced on a two-year trial basis and became permanent in 1997. The first provincial rugby championship was held in June 2006, and in April 2010, the association introduced team handball, bringing the total number of activities to twelve. In May 2011, the association added 6-a-side football to its list of sports, and in December 2018 rugby 7s was added. In December 2023, 9-a-side football was added. In June 2024, cheerleading was removed as a sanctioned sport.

As the number of activities increased, there was a growing need for changes in policy, communication, organization, and public relations. In 1970, each activity appointed a commissioner as a resource person, resulting in a continual upgrading of the caliber of provincial competitions. In 1974, four levels of classification were set up for volleyball and basketball based on the size of the participating schools. In 1984, the original geographical structure of ten zones was reduced to eight – two urban and six rural.

In 2008, the association created the Alberta Interscholastic Athletic Administrators Association (AIAAA), a professional development organization offering education and certification for school athletic administrators – a first in Canada. In 2011, the association created Canada's first online coach education program and ten years later partnered with Coaching Association of Canada to move relevant courses to [www.coach.ca](http://www.coach.ca). Coaches in the association member schools have minimum course completion requirements in order to be able to coach in our schools. Then, in 2015, the association partnered with Special Olympics Alberta to pilot the first official Special Olympics Unified Sports® program in Canada.

## GENERAL INFORMATION

School Sport Alberta is a voluntary, non-profit organization that has been established to coordinate a program of worthwhile athletic activities for the young people of Alberta in an educational setting. The membership, currently over 400 high schools, ultimately determines the bylaws and policies of the Association through representation on the Provincial Board of Governors.

The Association holds two meetings annually, typically in June and December. The Executive Committee, comprised of the President, Past President or Vice President, Executive Member at Large, Male and Female Athletic Directors (3) and the Executive Director, is responsible for the management of the SSA on a day-to-day basis.

While SSA activities operate for the benefit of the students, it is the volunteers administering, coaching and promoting the program that are responsible for its success. Over 10,000 school personnel and other volunteers in Alberta donate their time and talent to ensure that the schools' athletic programs will provide enjoyable, positive athletic competition and experiences for their students.

The SSA bylaws and policies are intended to provide direction in the areas of equitable competition and ethical standards for all involved with school athletic programs. Technical expertise is provided through appointed commissioners and close liaison with provincial sports governing bodies. Limiting the length of seasons of play opens the door to multi-sport participation.

The Association's main sources of funding come from: The Alberta Ministry of Tourism and Culture, membership fees, sponsorship, apparel sales and more. The majority of funding is distributed in the following areas: officiating costs for provincial competitions, delegate expenses to meetings, publications; medals, trophies, banners and other provincial championship supplies, live streaming, office administration – postage, printing, telephones, office equipment/computers, web hosting, supplies, etc.; and staff/Executive Commissioners salaries, benefits and travel.

For almost 70 years, the SSA has served as a communications medium for Alberta high schools. The opportunity for teachers and coaches to exchange information and for students to travel province wide to engage in friendly athletic competition is a valuable educational experience for all participants. Currently, the SSA:

- Distributes yearbooks that have been published annually since 1967
- Provides athletic opportunities in 11 different activities
- Has a membership of over 400 schools
- 55,000 student athletes compete on 4,000 high school sports teams
- Provides equal opportunities for male and female athletes
- Supports 25+ provincial championship host locations in awarding 58 championship banners
- Provides e-newsletters, policy handbooks, activity calendars, competition host handbooks and other resources to member schools
- Maintains an active and regularly updated website and Sport Registration System (SRS) and hosts championship websites
- Supports and collaboratively works with the Canadian Interscholastic Athletic Administrators Association (CIAAA)
- Coordinates an online coach education program in conjunction with Coaching Association of Canada
- Implements Para Athletics events in select sports
- Manages Unified Sports in partnership with Special Olympics Alberta

This committee will have the authority to address issues of a serious nature that may occur before, during or after a provincial championship match, or to hear appeals of the automatic suspension resulting from an ejection. In football, the discipline/appeal committee will be the SSA Executive Committee.
- D. Behaviour by any member of a team, including all bench personnel, deemed objectionable conduct as defined in the rule book for a sport shall be immediately subject to the penalty prescribed in the rule book for such an offense. In this situation during a game, the head official for the game shall be empowered to see that the penalty is carried out (including ejection of team personnel from the game site) to allow the game to continue or if necessary, to halt further play and award the game to the non-offending team. In the event that a coach or team official is ejected from a game/match/bout, they are required to immediately leave the building until 30 minutes following the conclusion of the game/match/bout. If an ejection results in a teacher-coach/teacher-supervisor to no longer be present with the team, the game will be forfeited.
- E. Any unsportsmanlike or violent behaviour e.g. fighting, that results in an ejection of an athlete or coach from participation in a SSA provincial

championship competition shall result in a suspension from the next scheduled match of the current season, where match is understood to mean game, match, round, bout, etc. as appropriate per sport.

- F. Any athlete or coach ejected during a SSA provincial championships, including quarter-final and semi-final games in football, is not permitted to practice or warm up with their team nor be in the gym, stands, and/or locker rooms for the team's subsequent game. - H. Any conduct including, but not limited to, ejections, fighting, drug, alcohol or cannabis use, that results in dishonor to the athlete, the team, the school or SSA during a SSA provincial championship event will not be tolerated. Team personnel guilty of misconduct during or immediately before or after a championship tournament game or activity shall be reported to the SSA Office in writing and by telephone by the tournament chairperson or by any SSA Executive, staff or board member who has been in attendance at the event in question, as soon as possible after the misconduct occurs. The SSA Executive Director will then investigate the incident and provide a report to the SSA Executive Committee.

### 2. Process

Upon receiving the report of the investigation from the Executive Director the Executive Committee may determine that disciplinary action is not warranted and a discipline hearing is not needed. If the Executive Committee determines that a discipline hearing is needed then the Executive Committee shall hold a discipline hearing subject to:

- A. The purpose of the meeting will be to determine if disciplinary action is warranted and what penalties as outlined below are issued.
- B. All affected parties shall be given at least three clear days (see definition of clear days in this handbook, Section VI) notice of the time, date and location of the discipline hearing.
- C. All affected parties who attend the hearing shall be given a reasonable opportunity to be heard.
- D. In the event a member school fails to provide the information requested by the Executive Director or fails to attend the discipline hearing the Executive Committee may make

their determination based on the evidence presented at the discipline hearing held by the Executive Committee.

- E. The Executive Director will report any discipline and/or misconduct reports and any subsequent sanctions issued by the Executive Committee to the respective zones.

### 3. Penalties

Any student, coach, teacher, school staff or administrative personnel of a member school, or spectator who violates the Code of Ethics or Discipline and Misconduct Policy may be excluded from participating in or attending a competition at any level (i.e. local, zone, provincial) in any sport by the SSA Executive for any period of time that the SSA Executive in its absolute discretion deems appropriate, and may be subject to such other penalty as the SSA Executive in its absolute discretion deems appropriate. Member school will be expected to cooperate in the enforcement of any penalties imposed by the Executive Committee.

### 4. Inappropriate Transfers and Recruitment Policy

#### A. Purpose

The SSA has a duty to serve the best interests of its member schools, educational professionals, and students. Part of this duty is to ensure that the SSA membership and its students are treated with fairness, in an environment marked by stability and predictability, and to ensure that the SSA is exposed to as little risk of liability as possible. At the same time, the SSA must facilitate student transfers, where appropriate, and provide a framework for determining when such transfers are inappropriate. As such, the SSA considers that key personnel of its member schools (principals, athletic directors and coaches) must not engage in efforts to encourage students to transfer schools for the primary purpose of participating in athletics, and all SSA member educational personnel shall prohibit such transfers where possible.

- B. This policy supports these purposes by defining the conduct that constitutes "recruitment," providing a defined process for the reporting of complaints regarding recruitment, setting out the procedures for referring complaints for investigation and the conduct of any such investigation, and providing for the appropriate resolution of such complaints.

#### C. Recruitment

"Recruitment" in this Policy is defined as the direct or indirect attempt to cause an eligible student to transfer from their current educational institution ("Current Institution") to a new educational institution ("Destination Institution"). A number of factors – including but not limited to the following list – will be used to assess whether any person or institution has engaged in recruitment:

- I. Any offer of monetary or transportation assistance to a student, parent or guardian (including fees, tuition, bus passes or other allowances or waivers);
- II. Offering or accepting of school privileges or considerations not normally granted to other students;
- III. Any inducement or attempted inducement of parents, guardians or students to change their location of residence for athletic reasons.
- IV. Facilitating a change of guardianship for the purpose of changing the location of a student athlete's residence so that they can transfer schools for athletic reasons;
- V. Contact with a student or parent or guardian of a student who attends another school in an attempt to persuade that student, primarily for athletic purposes, to attend the inducer's school; and
- VI. The attempt to persuade or induce a student, primarily for athletic purposes, to remain in the inducer's school, when the student had otherwise decided to transfer to another school.

#### D. Reporting a Complaint

A complaint pursuant to this policy may be initiated by any SSA member school, educational personnel at that school, or any student (or parent or guardian thereof). For

better certainty, the Current Institution or Destination Institution may submit a complaint about recruitment in writing to the SSA. Upon receipt of such complaint, the SSA will process the same in accordance with this Policy.

#### E. Procedures

Upon receipt of a complaint, the SSA shall determine whether the complaint is sufficiently founded so as to require further action. If the SSA makes such a determination, it shall refer the complaint to the Compliance Officer. Upon receipt of such referral:

- I. The Compliance Officer shall take all steps as he or she believes are necessary in order to notify all parties reasonably affected by the complaint;
- II. The Compliance Officer shall advise all such parties of the process and timeline for the Compliance Officer's anticipated investigation of the complaint, as well as any required information, documentation or statements the Compliance Officer believes may be necessary in order to effectively assess the complaint;
- III. Where the Compliance Officer believes that any party involved with the complaint should have the ability to respond to the complaint or to any evidence or allegations anticipated to be part of the investigation, the Compliance Officer shall provide that party with a timeline and mechanism for providing such response;
- IV. the Compliance Officer may institute and follow such procedures as the Compliance Officer in his or her reasonable discretion believes are necessary or desirable for the effective investigation of the complaint, including notification (and the contents thereof) to any party with respect to any aspect of the complaint or the investigation.

- F. Any party identified by the Compliance Officer as having or potentially having relevant information regarding the complaint shall provide cooperation and assistance to the Compliance Officer and the investigation. Failure to provide such cooperation and assistance may result in disciplinary sanctions in accordance with the SSA's governing documents and policies as published from time to time.

- G. The Compliance Officer shall endeavor to complete any investigation of a recruitment complaint no later than 15 days from receipt of the written complaint. Where such investigation may take longer than 15 days, the Compliance Officer shall advise the SSA Executive Director accordingly.
- H. Upon the conclusion of such investigation, the Compliance Officer shall submit a report to the SSA Executive Director, summarizing the complaint, outlining the investigative actions undertaken, briefly summarizing the evidence collected during the course of the investigation,

identifying any relevant parties who failed to cooperate with the investigation, and outlining the Compliance Officer's conclusions regarding the complaint.

- I. The SSA Executive Director will disclose to the SSA Executive Committee the investigative report who will determine within ten (10) days of receipt, if a breach of this Policy occurred, and if so, any sanctions. In making its decision, the SSA Executive Committee may request additional information or oral testimony from the respondent or any students, coaches, teachers, school staff, administrative personnel and others who may have information relevant to the complaint. This timeline may be extended by the SSA Executive Committee at their sole discretion.

#### J. Failure to Cooperate

Where the SSA Executive Director or SSA Executive Committee determines that any party failed or refused, without reasonable justification, to provide information or response to the investigation, the SSA Executive Committee may impose such penalty as it determines in the circumstances, including potential exclusion from SSA related competitions.

#### K. Decision

Upon receipt of the final decision by the SSA Executive Committee, the SSA Executive Director will notify the parties and other interested parties as directed by the SSA Executive. The decision will be considered a matter of public record unless decided otherwise by the SSA Executive Committee. In extraordinary circumstances, the SSA Executive Committee may first issue a verbal or summary decision soon after the hearing's conclusion, with the full written decision to be issued thereafter.

#### L. Other

Unless determined otherwise by the SSA Executive Director, the investigation, the decision or both processes described in this Policy will not be engaged thirty (30) clear days before the provincial championship in that sport is completed.

- M. The decision of the SSA Executive Committee shall be final and binding and not subject to appeal.

## SECTION III - MEMBERSHIP

Any school that is found to have put incorrect numbers into the SRS is subject to a fine and/or sanctioning. The fine for a school reporting an incorrect student enrollment which impacts classification is \$1000. In addition to the fine, that school will vacate any awards won in the incorrect classification at the provincial level, and will be ineligible for SSA Provincial Championships for one full year effective the date that the discretion was confirmed.

Schools will count their student enrolment numbers as of September 30 on an annual basis to confirm their classification for that school year, and these numbers must be submitted in SRS. If the September 30 student count differs from the April 30 projection enough to change a school's classification, the principal or athletic director must report this by email to the SSA Executive Director by October 10. Failure to do so will result in that school competing at whichever is the higher classification at all SSA events in that school year and paying a \$500 fine.

A. When determining school enrollment for classification purposes, all students who meet the following SSA eligibility requirements shall be included in the count:

E. Legal Contingency

I. All member schools will be charged a one-time Legal Contingency Levy based on size of school. The intent of the levy is to allow the Association to sustain a legal contingency fund of at least \$60,000. The legal contingency is intended to be a safeguard against any legal action brought or threatened to be brought against the Association. At the direction of the Executive Committee, the fund will be used in the event of a court challenge over an SSA related issue or in the event of significant legal costs around a single issue impacting the Association's annual budgeted legal expenses.

II. At the discretion of the Executive Committee, the fund may be accessed to retain legal counsel to advise the Executive Appeals Committee in the event that the Executive Committee deems an appeal "high-risk" in terms of potential litigation or for other preventative purposes.

III. If the legal contingency fund is accessed during a school year, there will be a pro-rated fee charged to member schools the following school year to bring the fee back up to \$60,000 based on the fees noted below.

These forms must be completed and kept on file, with copies being provided to SSA only if requested, and for a reasonable purpose.

B. The principal of each school will sign an Acknowledgement and Agreement Form which: confirms their membership in SSA; that school coaches will abide by SSA bylaws and policies; that membership in that school's zone and SSA is a privilege, not a right; that the outcome of any appeal process of SSA or zone is final and binding on the administration of the school; that violation of Bylaws or Policies of the zone or SSA or of the Acknowledgement and Agreement Form may be.

**II. Registration:** The student must be registered in distributed learning or home education through an SSA member school. Students registered through the central office are not eligible for SSA activities.

**III. School Division Policy:** The student's school division must have a policy allowing distributed learning or home education students to participate in athletics.

**IV. Principal Support:** Both the principal of the accepting school and the distributed learning or home education school must approve of the student's involvement in extracurricular activities.

**V. Eligibility Rules:** The student must comply with all SSA eligibility rules and regulations.

a. If a school uses distributed learning or home education students who live in its attendance area, the number of these students must be added to the school's September 30 count for that sport. This will determine the school's classification level for that sport, and the SSA Office must be notified.

**VI. Confirmation from Distributed Learning or Home Education School:** The school the student is registered with must send a letter confirming the student's registration and stating how many distributed learning or home education students live in the accepting school's attendance area. If the accepting school allows students from multiple distributed learning or home education schools, it must include students from each school in the count.

**VII. Eligibility to Play:** Once a student joins a

team from a school, they can only play for that team in that sport for the year.

### C. Play Outside Attendance Area:

If a student is not allowed to play for a school in their attendance area, they may join a school outside the area under these conditions:

- I. The student must first request permission to play from the school(s) in their attendance area.
- II. The distributed learning or home education school must ensure all relevant schools and the zone manager are aware of the student's registration.

### D. Participation in Individual Sports (badminton, cross country, golf, track & field, wrestling):

If a distributed learning or home education school fields a team in an individual sport, students can participate in SSA activities if the following conditions are met:

- I. The school division must allow distributed learning or home education students to participate in athletics.
- II. The student's principal must approve of their involvement in extracurricular activities.
- III. The student must follow all SSA eligibility rules.

### E. Zone and Classification:

Distributed learning or home education students must participate in the zone the school belongs to, even if some students live outside that zone.

### F. Participation Limits:

A student may participate in other sports at the same or different schools, as long as eligibility criteria are met. Once a student joins a team, that student will be affiliated with that team until graduation, unless the student is eligible to transfer schools per the SSA transfer policy.

Any transfers involving students from home education associations or distributed learning centres are subject to the Transfer Policy (Section IV.12).

## 12. Transfer Policy (athletic eligibility following transfer from one school to another)

- A. The objectives of the SSA Transfer Eligibility policy are to:
  - I. discourage athletically motivated transfers of students to or among member schools;
  - II. discourage athletically motivated recruitment of students by anyone associated with a member school;
  - III. encourage the completion of high-school within 3 years for member schools which start high school in grade 10 and within 4 years for member schools which start high

school in grade 9;

- IV. ensure that every student has a fair opportunity to participate in inter-member school competition at a member school for 3 consecutive years; and

- V. encourage school administrators to settle issues and disputes over transfer eligibility between themselves before resorting to any appeal procedure.

- B. Subject to this policy, any student who transfers to a member school after the commencement of the school year to attend grade 10, 11 or 12, is ineligible to participate in any school sport at that member school for a period of 1 year if they participated in any sport at any other school prior to the transfer.

- C. On application in the form and manner as directed by SSA administration or governing body from time to time, a student may be granted eligibility to participate in a sport at a member school by the SSA Compliance Officer.

- D. The Principal of the school from which a student is transferring and the Principal of the school to which the student is transferring may make a joint submission recommending that a student who would otherwise be ineligible to participate in a sport at a member school should be eligible. The Compliance Officer may accept or reject the joint submission of the Principals in making their decision as to the student's eligibility.

- E. A student who, pursuant to this policy is otherwise ineligible to participate in a sport at a member school, may be granted eligibility if the student can satisfy the Compliance Officer that the transfer was necessitated by exceptional circumstances beyond their control and was, in no way, athletically motivated.

## 13. Appeal of a Finding of Ineligibility

The Principal of a member school may appeal any decision made pursuant to this policy as set out in Section VII "Appeals Procedure".

# SECTION V - WHISTLEBLOWER POLICY

## 1. Purpose

The purpose of this Policy is to allow any Member to have a discreet and safe procedure by which they can disclose incidents of wrongdoing without fear of unfair treatment or reprisal.

## 2. Application

- A. This Policy only applies to School Sport Alberta (SSA) and its Members and those who observe or experience incidents of wrongdoing committed by SSA or its Members.
- B. Incidents of wrongdoing or misconduct observed or experienced by participants,

volunteers, spectators, parents of participants, or other individuals not employed or contracted by SSA can be reported under the terms of SSA's policies for discipline and complaints and/or reported to the SSA's Board or Executive Director to be handled under the terms of the individual individual's Employment Agreement or Contractor Agreement, as applicable, and/or the SSA's policies for human resources.

- C. Matters reported under the terms of this Policy may be referred to be heard under SSA's policies for discipline and complaints, at the discretion of the Compliance Officer.

### 3. Wrongdoing

- A. Wrongdoing can be defined as:
- B. Matters which SSA govern;
- C. A breach of SSA's Code of Ethics and its Handbook, Policies, Guidelines, Rules and Regulations ("Governing Documents");
- D. Directing an individual to commit a breach of a SSA Governing Document; or
- E. Fraud.

### 4. Pledge

SSA pledges not to penalize, discipline, or retaliate against any Member who discloses information or submits, in good faith, a report under the terms of this Policy.

### 5. Reporting Wrongdoing

- A. An individual affiliated with a Member who believes that SSA or a Member has committed an incident of wrongdoing should prepare a report that includes the following:
  - I. Written description of the act or actions that comprise the alleged wrongdoing, including the date and time of the action(s);
  - II. Identities and roles of other individuals and Members (if any) who may be aware of, affected by, or complicit in, the wrongdoing;
  - III. Why the act or action should be considered to be wrongdoing; and
  - IV. How the wrongdoing affects the individual submitting the report (if applicable).

### 6. Authority

- A. SSA has appointed a Compliance Officer to receive reports made under this Policy.
- B. After receiving the report, the Compliance Officer has the responsibility to:
  - I. Connect the individual to the Alternate Liaison if the individual feels that they cannot act in an unbiased or discrete manner due to the individual's role with SSA and/or the content of the report
  - II. Determine if the report is frivolous, vexatious, or not submitted in good faith (e.g., the submission of the report is motivated by personal interests and/or the content of the report is obviously false or malicious)
  - III. Determine if SSA's Whistleblower Policy applies or if the matter should be handled

under SSA's policies for discipline and complaints

- IV. Determine if the local police service be contacted
- V. Determine if mediation or alternate dispute resolution can be used to resolve the issue
- VI. Determine if the SSA's President and/or Executive Director should or can be notified of the report
- VII. Begin an investigation

### 7. Alternate Liaison

- A. If the individual feels that the Compliance Officer is unable to act in an unbiased or discrete manner due to the individual's role with SSA and/or the content of the report, the individual should contact the Alternate Liaison who will act as an independent liaison between the individual and the Compliance Officer.
- B. The Alternate Liaison will not disclose the individual's identity to the Compliance Officer or to anyone affiliated with SSA without the individual's consent.
- C. An individual who is unsure if they should submit a report, or who does not want to have their identity known, may contact the Alternate Liaison for informal advice about the process.

### 8. Investigation

- A. If the Compliance Officer determines that an investigation should be launched, the Compliance Officer may appoint an investigator. In such cases, the SSA's Executive Director and/or President will be notified that an investigation is necessary without the nature of the investigation, content of the report, or identity of the individual who submitted the report being disclosed. The SSA's Executive Director and/or President may not unreasonably refuse the decision to appoint an investigator. It is with the purview of the SSA's Executive Director and/or President to provide a budget to the Compliance Officer relating to the costs of the investigation.
- B. An investigation launched by the Compliance Officer should generally take the following form:
  - I. Followup interview with the individual who submitted the report
  - II. Identification of individuals, participants, volunteers or other individuals that may have been affected by the wrongdoing
  - III. Interviews with such-affected individuals
  - IV. Interview with the Member(s), individual(s) against whom the report was submitted
  - V. Interview with the supervisor(s) of the individual(s) against whom the report was submitted, if applicable
- C. The investigator will prepare an Investigator's Report – omitting names whenever possible and striving to ensure confidentiality – that will be submitted to the SSA's President and/or Executive Director for review and action.

### 9. Decision

- A. Within fourteen (14) days after receiving the Investigator's Report, the SSA's President and/or

Executive Director will take corrective action, as required. Corrective action may include, but is not limited to including:

- I. Enacting and/or enforcing policies and procedures aimed at eliminating the wrongdoing or further opportunities for wrongdoing;
  - II. Revision of job descriptions; or
  - III. Discipline, suspension, termination, or other action as permitted by SSA's Bylaws, provincial employment legislation, SSA's policies for human resources, and/or the individual's Employment Agreement or Contractor Agreement.
- B. The corrective action, if any, will be communicated to the investigator who will then inform the individual who submitted the report.
  - C. Decisions made under the terms of this Policy may be appealed under the terms of SSA's Appeal Procedure provided that:
    - I. If the individual who submitted the initial report is appealing the decision, the individual understands that their identity must be revealed if they submit an appeal, and
    - II. If SSA or Member or individual against whom the initial report was submitted is appealing the decision, SSA or Member or individual understands that the identity of the individual who submitted the report will not be revealed and that SSA will act as the Respondent

## 10. Confidentiality

- A. Confidentiality at all stages of the procedures outlined in this Policy – from the initial report to the final decision – is assured for all individuals (the individual, the individual(s) against whom the report is submitted, and the individuals interviewed during the investigation). An individual who intentionally breaches the confidentiality clause of this Policy will be subject to disciplinary action.
- B. In all stages of the investigation, the investigator will take every precaution to protect the identity of the individual who submitted the report and/or the specific nature of the report itself. However, SSA recognizes that there are some instances where the nature of the report and/or the identity of the individual who submitted the report will or may be inadvertently deduced by individuals participating in the investigation.

## SECTION VI – APPEAL PROCEDURE

### 1. The Appeal Committee

- A. Each Zone Executive shall put forward the names of 2 individuals who have no governance role with SSA as their nominee to be listed on the Appeals Committee (AC) roster. Roster members, in consultation with the Executive Director, shall select a Chair and a Manager. - B. When an appeal is received, the Chair shall strike an AC of the Chair, the Manager and no less than 1 other roster member to hear

the appeal, none of whom are in a position of conflict with respect to the subject matter of the appeal. If the Chair is unavailable, the Chair may appoint an alternate from the roster to act as Chair for a particular appeal. The Quorum for the hearing of an appeal is no less than 3 roster members.

- C. The function of the Appeal Committee is to deny or allow appeals arising from decisions made pursuant to SSA policy including, but not limited to, decisions regarding disciplinary matters.
- D. The Chair, at any time, may direct those affected by the decision under appeal to engage in discussions or mediation before the hearing of the appeal is scheduled or a decision rendered.
- E. The Chair of the AC may utilize SSA staff to assist in an administrative role with respect to arranging for a quorum of roster members, chosen by the Chair, to be in attendance at a hearing of an appeal (if in-person or virtually), related scheduling of hearings as well as other general administrative duties.
- F. Members of the Appeal Committee may receive an honorarium as determined by the Executive Committee from time to time.

  - C. The Chair may direct that the Notice of Appeal will be provided to any person, including to the principal or an assistant principal of a member school and invite submissions accordingly. The appellant will be notified of any such direction in advance of the disclosure.
  - D. Non-urgent appeals will be heard on dates set by the SSA Executive Committee. The Executive Committee shall schedule at least 5 sittings of the Appeals Committee for the school year and inform member schools of that schedule.
  - E. Appeals will be heard on an urgent basis if the Notice of Appeal identifies the reason for the urgency and the Chair of the Appeals Committee agrees that there is urgency for the appeal to be decided, in which case the hearing of the appeal shall be scheduled as per the direction of the Chair. A fee of \$800, which must accompany a request for an urgent appeal, will apply to any appeal scheduled on an urgent basis, \$500 of which will be refunded in the event that the appeal is allowed. The decision of the Chair to deny the request to schedule a hearing on an urgent basis is final and not appealable.

#### 4. Grounds for Appeal

- A. A decision cannot be appealed on its merits alone. An appeal may only be heard if there are sufficient grounds for appeal. Sufficient grounds include:
  - I. SSA made a decision that it did not have the authority or jurisdiction (as set out in

SSA's governing documents) to make;

- II. SSA failed to follow its own procedures (as set out in SSA's governing documents);
- III. SSA made a decision that was influenced by bias (where bias is defined as a lack of neutrality to such an extent that the decision-maker appears not to have considered other views);
- IV. New facts available that were not in existence or could not have been discovered by due diligence when the decision was made; or
- V. SSA failed to properly interpret SSA's governing documents.

#### 5. Screening of Appeal

- A. The Chair and the Manager will have the following responsibilities:
  - I. To determine if the appeal falls under the scope of this Policy;
  - II. To determine if the appeal was submitted in a timely manner; and
  - III. To decide whether there are sufficient grounds for the appeal.
- B. If the Chair denies the appeal on the basis of insufficient grounds, because it was not submitted in a timely manner, or because it did not fall under the scope of this Policy, the appellant will be notified, in writing, of the reasons for this decision. This decision may not be appealed.
- C. If the Chair is satisfied there are sufficient grounds for an appeal, the Chair will appoint the Appeals Committee

#### 6. Hearing Procedure

- A. The Chair may direct the procedures to be followed in a hearing for the purposes of ensuring a fair and expeditious resolution of the appeal, including, without limitation, directions (a) respecting the amount of hearing time, (b) respecting the number of persons who may make submissions, (c) respecting the number and type of submissions, (d) confining those who make submissions to the particulars set out in the Notice of Appeal, and (e) the hearing may be determined by document review only.
- B. The Chair will determine the format under which the appeal will be heard. The format of the hearing may involve an oral in-person hearing, an oral hearing by telephone or other electronic means, a hearing based on a review of documentary evidence submitted in advance of the hearing, or a combination of these methods. The hearing will be governed by the procedures that the Chair deems appropriate in the circumstances. The following guidelines will apply to the hearing:
  - I. The hearing will be held within a timeline determined by the Chair
  - II. The parties will be given reasonable notice of the day, time and place of an oral in-person hearing or oral hearing by telephone or electronic communications.
  - III. Copies of any written documents which any of the parties wishes to have the

Appeals Committee consider will be provided to all parties in advance of the hearing

- IV. The Appeals Committee may request that any other individual participate, including not limited to a student affected by the decision, and give evidence at an oral in-person hearing or oral hearing by telephone or electronic communications.
- V. The Appeals Committee may allow as evidence at the hearing any oral evidence and document or thing relevant to the subject matter of the appeal, but may exclude such evidence that is unduly repetitious and shall place such weight on the evidence as it deems appropriate
- VI. If a decision in the appeal may affect another party to the extent that the other party would have recourse to an appeal in their own right under this Policy, that party will become an affected party to the appeal in question and will be bound by its outcome
- VII. The decision to uphold or reject the appeal will be by a majority vote of Appeal Committee
- C. In fulfilling its duties, the Appeal Committee may obtain independent advice.

## 7. Decision

- A. In making its decision, the Appeal Committee may consider the information received by way of written or oral submission and any information available to the public which they are satisfied is accurate and complete. The Appeal Committee may also consider any breach of SECTION I – CODE OF ETHICS, including but not limited to the provisions of the “Honest and Full Disclosure” policy in deciding an appeal.
- B. The Appeal Committee will issue its short decision to the Parties within two (2) clear days to allow or deny the appeal and the written decision within 15 clear days of the conclusion of the hearing or a longer period of time on an explanation from the Chair to those involved as to why a longer period of time is required. In the alternative, the Appeals Committee may direct those involved in the appeal to provide additional information or engage in discussions to resolve the subject matter of the appeal among themselves, failing which the Appeal Committee will make a decision with the information they have within a time period as set by the Chair.
- C. The Appeal Committee shall issue its decision and may decide to:
  - I. Reject the appeal and confirm the decision being appealed;
  - II. Uphold the appeal and refer the matter back to the initial decision-maker for a new decision; or
  - III. Uphold the appeal and vary the decision.
- D. The Appeal Committee will also determine whether costs of the appeal, excluding legal fees and legal disbursements of any parties, will be assessed against any party. In assessing

costs, the Appeal Committee will take into account the outcome of the appeal, the conduct of the parties, and the parties’ respective financial resources.

## 8. Confidentiality

- A. The Chair may direct that certain information will or will not be disclosed as circumstances require.
- B. Unless otherwise directed by the Chair, all information which is provided to the Appeals Committee in relation to the conduct of the appeal and the hearing is confidential and not to be shared by anyone not directly involved in the hearing process.
- C. The Chair may direct the disclosure of information necessary to provide reasons for the decision of the Appeals Committee or as necessary to ensure that the decision is enforceable.

## 9. The Record

- A. No one shall make an audio or video recording of the appeal hearing without the express permission of the Chair.
- B. The Manager shall make reasonable efforts to ensure that there is a record of the hearing proceeding by way of audio or video recording or in some other format as directed by the Chair. Only the Chair and those authorized by the Chair shall have access to the audio or video record.
- C. A copy of any records or documents submitted to the Appeal Committee will only be provided to another person at the direction of the Chair and may be returned to the person who submitted same on the approval of, and at the direction of, the Chair.

## 10. Final and Binding

- A. The administrative personnel of the member schools acknowledge that the members of the Appeal Committee have been appointed from a roster of appointees from the SSA zones in the Province of Alberta. The member schools acknowledge and agree that the Appeals Committee members have specialized knowledge with respect to the matters that come before them that a Court is unlikely to have regarding the subject matter of appeals.
- B. The administrative personnel of the member schools acknowledge that it would not be appropriate to pursue judicial review of any decisions of the Appeals Committee. As such, the administrative personnel of the member schools will not make or support an application for Judicial Review of any decision of the Appeals Committee.

- A. For the purposes of this policy, wherever there is a reference to clear days:
  - I. The number of days shall be reckoned exclusively of the first day and exclusively of the last day, and exclusively of Saturdays, Sundays and statutory holidays; and
  - II. Any action taken on a Saturday, Sunday or statutory holiday shall be deemed to have taken place on the next working day.

For example, where a document is required to be served with three clear days notice, if service is effected on a Monday, then Tuesday, Wednesday and Thursday comprise three clear days. The next step after service can be taken on Friday. If service is affected on Saturday or Sunday, then service shall be deemed to have been affected on Monday, and Tuesday, Wednesday and Thursday will comprise three clear days. The next step after service can be taken on Friday.

## SECTION VII - AMENDMENTS

1. All items under policy may be amended by a majority vote of the Provincial Board of Governors. Proposed amendments must be submitted, in writing, to the SSA Office by April 1. The amendments to be considered will be posted on the SSA website and available to all member schools at least three weeks prior to the Annual General Meeting. Amendments may be made through a mail vote and in such cases, the ballots must be retained until the next Annual General Meeting. Notices of Motion to amend policy may be waived where such amendment is clearly of a housekeeping nature and does not change the intent of the policy.
2. Amendments to policy may be submitted by zones, schools, Commissioners and Executive. Schools submitting such amendments must advise their respective Zone Executive.

## SECTION VIII - ACTIVITIES

All athletic activities sponsored by SSA shall be conducted according to existing SSA Bylaws and Policy.

### 1. Classifications are based on the percentage of schools.

- 1A - no more than 35% of schools
- 2A - between 25-35% of schools
- 3A - between 15-25% of schools
- 4A - less than 15% of schools
- 5A - less than 15% of schools

A classification must have a larger percentage of schools than the next higher classification.

All Championship activities will operate using the following classification structure:

- A. 1A: <75 students
- B. 2A: 75-249 students
- C. 3A: 250-699 students
- D. 4A: 700-1399 students
- E. 5A: 1400+ students

The SSA Executive Committee will determine every five years (years ending in 0 and 5) whether this structure should be revisited. If the decision is made to revisit, an ad hoc Classifications Committee will be mandated with this task; this committee will comprise a mix of rural and urban schools, as well as representation from all classifications. If possible, previous committee members will be involved.

Partnered Events will not be officially classified by SSA. Any classifying done at Partnered Events must be approved by the SSA Executive Committee.

## 2. Supervision of Athletes and Teams

- A. Team sports at SSA zone and SSA provincial championships.
  - I. Every school team must be coached or supervised by a teacher of the school jurisdiction to which that school belongs. This means that in the sports listed above, one or more certified teachers from the SSA zone will be designated with the responsibility for their zone team.
- C. Supervision at all other competitions
  - I. During all other competitions, individuals and/or teams shall be under the supervision of an agent of the school jurisdiction they represent.
  - II. Definition of 'agent' of the school board they represent: The 'agent' does not have to be a teacher, but can be any individual who has school board approval to coach student athletes. It is highly recommended that schools and boards complete the appropriate police checks and volunteer forms before any non-teachers are involved in coaching school students.
- D. Same Sex Chaperones
  - I. Students traveling to zone and/or provincial championships who require overnight accommodation must be supervised by a chaperone of the same sex approved by the school jurisdiction.
  - II. Chaperones of both sexes must accompany co-educational teams that are staying overnight at any activities: provincials, zones, other competition and camps/tours.
- E. Insurance and Liability
  - I. Issues involving interschool or cross-jurisdictional supervision (team, individual and dual sports) and approved non-teacher chaperones are the responsibility of the member schools involved and their local school jurisdictions.

### 3. (Sanction Policy) Interschool Competition and Invitational Events

All levels of competition, tournaments or interschool competition involving students from SSA member schools must follow all bylaws, code of Ethics and policies set forth in the SSA Handbook, including eligibility and supervision requirements.

#### A. Requirements for interschool competition and invitational events

- I. Each competing team must be a school team in good standing of its own zone and provincial or state high school association and must guarantee that participation in the contest will not violate any standard of that zone and provincial or state association.
- II. Each participant must meet the eligibility requirements of their provincial/state association. For Alberta students, please refer to SECTION IV – ELIGIBILITY.

- a. Exception: All competitors of sanctioned wrestling events must meet all SSA wrestling eligibility, please refer to SECTION XIX – Wrestling, and Section IV, Eligibility.

#### III. Competition against non-school teams:

SSA member school teams are not permitted to participate against non-school teams, with the following exceptions:

Basketball, volleyball, team handball and rugby: SSA member school teams are not permitted to participate against non-school teams except for one exhibition and one fundraiser game per season. Examples of exhibition/fundraiser games include games against club, university, college or alumni teams, or against a touring team.

NOTE: Games between an SSA member school team and a Prep School/Sport Academy team in an SSA sport are prohibited.

##### b. Geographic Isolation Policy\*:

School teams in isolated areas may participate in basketball and/or volleyball non-school leagues providing they receive permission from the SSA Executive Committee. Written request must be made well in advance of the season and on an annual basis, and permission will be granted only in those cases where adequate competition is scarce due to the isolation of the community.

\* Note: Insurance and liability issues involving these exceptions are the responsibility of the member schools involved and their local school jurisdictions.

#### IV. Sunday competition is not allowed in Alberta. If Alberta school teams are

traveling to an out of province event and Sunday play is allowed in that province or State (e.g. British Columbia), then competition may take place on Sunday.

#### V. Awards:

- a. Cash awards may not be awarded to or received by student athletes, teams or coaches. It is recommended that awards be limited to medals, small plaques and trophies.
- b. It is recommended that invitational events do not designate all-stars or most valuable player selections.

#### VI. Each participant must be subject to the same conditions of participation as other entrants. This includes entry fees, number of guaranteed games, share of gate, etc.

#### VII. It is recommended that invitational events begin at Friday noon and conclude Saturday in the late afternoon or early evening.

#### B. Formal written application for sanction of interschool events is required when:

- I. SSA member schools host interprovincial/international events involving three or more school teams in activities of SSA.
- II. SSA member schools travel to out of province events involving three or more school teams in activities of SSA. The sanctioning process needs to be initiated by the host school through its own provincial or state governing body.
- III. Non-SSA member institutions or organizations wishing to host high school events.

Notification of sanction approval: All schools invited to participate in interschool events are responsible for checking the status of the written application for sanction by visiting the SSA website.

#### C. Formal written application for sanction is NOT required when:

- I. Events are hosted by SSA member schools and involve only SSA member schools. However, these events must meet the same requirements as interprovincial events.
- II. Interprovincial/international play occurs between only two school teams.
- III. Events include solely those schools that are listed in the blanket sanction agreement below.

#### D. Process for written application for sanction of interschool events

- I. The result of all written sanction requests processed by SSA, approved or not approved, will be posted on the SSA website. Schools that are invited to participate in an event are responsible

for checking the SSA website for event approval before accepting an invitation. Invited schools have the option of accepting or declining an invitation to a sanctioned event.

## II. SSA Member Schools:

a. SSA member schools hosting interprovincial/international events involving three or more school teams in activities of SSA must apply for sanction using the Interprovincial Competition Sanction Form or, if inviting US teams, the NFHS InterState Sanction Form. The sanction form must be submitted to SSA at least 30 days prior to the event. A \$200 late sanctioning fee will be assessed to the host school or institution, if sanction form is not submitted in time. Out of province schools not listed on the sanction form will not be eligible to participate without SSA approval. Visit the Association's website for all forms and submittals.

b. SSA zones and high school leagues: Events hosted by these partners must comply with SSA policies.

c. Non-SSA member educational institutions or organizations: Events hosted by non-SSA member educational institutions or organizations are required to follow SSA policies.

i. Colleges, universities and other non-member educational institutions hosting high school events must apply for sanction using the Non-Member Educational Institution Sanction Form. The sanction form must be submitted to SSA at least 30 days prior to the event. A \$200 late sanctioning fee will be assessed to the host school or institution, if the sanction form is not submitted in time. Schools not listed on the sanction form will not be eligible to participate without approval of SSA and the respective school athletic association. If non-school teams and SSA member school teams are participating at a tournament, they must compete in separate categories; i.e. SSA member school teams must not compete against non-school teams. If the event is for an individual sport (i.e. golf, cross country, wrestling, badminton and track & field), high school athletes belonging to club teams should compete only as a member of their high school, with approval from their school and SSA, and only against other high school athletes. Travel of the student athlete to such events must adhere to the designated requirements of the associated school and school board of which the student attends.

ii. No prize money can be awarded.

iii. The non-school entity agrees to be accountable to SSA to uphold the standards and expectations of SSA and to report to SSA as requested. That is, should violation of any

conditions occur, consequences will be at the discretion of SSA.

iv. All entry fees for the high school divisions are approved by SSA.

v. All relevant sanction forms must be completed at least 30 days prior to the event as per SSA policy.

vi. A \$200 late fee will be assessed to the non-school entity if they fail to submit proof of proper insurance coverage to SSA for approval 30 days prior to the event. Failure to pay the fee prior to the event will result in the event not being sanctioned.

If a non-school entity fails to meet all of the outlined conditions, SSA member school teams will be ineligible to participate at all events hosted by that non-school entity.

## 4. Seasons of Play

### Preamble:

The intent of establishing seasons of play is to provide a guide as to when competition for particular activities sponsored by SSA may occur.

The rationale for establishing seasons of play is in keeping with SSA philosophy of making competitive opportunities for all members as equitable as possible. Therefore, with all members operating within the same time guidelines for each activity, the opportunity for advancement toward provincial competition should be reasonably equal.

In addition, establishing seasons of play will encourage school jurisdictions to emphasize a varied program of school athletics.

- A. Activities sponsored by SSA shall take place within a specific season of play as outlined below.
- B. Each season of play will encompass tryouts, practices, exhibition contests, league play and playoffs.
- C. Each season of play shall be approximately 12-16 school weeks in duration (factoring in the constraints of the Alberta climate) with holiday and exam periods taken into consideration where applicable.

### F. Definition of a Practice

- I. Schools may not conduct team practices outside the respective SSA season of play. The definition of a 'team practice' is an organized sport specific SSA activity, with multiple team members from the same school, under the supervision of a coach from the same school, where they direct or conduct sport specific drills for the athletes. Contests and practices for all sports shall be restricted to SSA seasons of play for sports. No members of any coaching staff shall direct organized practice or game activities prior to the approved starting dates for in session sports.
- II. Allowable 'out of season activities' are weight training and general conditioning programs. 'Open' facilities are permitted but must adhere to the following guidelines: they must be open to public, they must be supervised by school personnel for safety reasons, they cannot be mandatory, and there can be no written or unwritten instructions. Site administrators and athletic directors are responsible for seeing that these rules are adhered to.

- III. The intent of this rule is to ensure that high school teams are not assembled for coaching purposes outside of SSA seasons of play and gaining an advantage. Directed team-play and instruction are not permitted. Compliance is the responsibility of the school site administrators, athletic directors and/or coaches and is an expectation of SSA. Reports of infractions will be dealt with pursuant to SSA Violations Policy listed below.

H. Violations of Season of Play

- I. Violations of the seasons of play shall be reported to the zone manager of the school in violation and to the SSA Executive Director. Such reports of violations must be corroborated with first hand evidence of individuals who, through their institutions, are members of the Association. All such reports must be in writing.
  - II. Violation reports received by the Executive Director will be dealt with by the SSA Executive immediately. Penalties imposed are at the discretion of the Executive and may result in the individual or team at fault being ruled ineligible for SSA competition for a specified period.
  - III. Any school found in violation of the Seasons of Play Policy and penalized may appeal the penalty within 48 hours of notification of penalty.
- I. Interpretation and Examples
- The dates provided in the Seasons of Play Policy for SSA sponsored activities do indicate when each activity will begin and when it will end as a formal co-curricular activity for all member schools wishing to retain eligibility for such activities.
- I. Examples:
    - a. The season of play for basketball is November 1 to the third Saturday in

March. This means there shall be no basketball practice or competition involving school teams prior to November 1 or after the third Saturday in March in any school year. This does not place any restrictions on individuals participating in out-of-school basketball prior to November 1 or after the third Saturday in March. School team camps outside the November 1 to third Saturday in March period are in violation of the Season of Play policy.

- II. The season of play for volleyball is June 1 to the fourth Saturday in November. Therefore, volleyball practices may be carried out in schools during the month of June and from the beginning of the school term in the fall until the provincial championships. This precludes any formal school volleyball activity during the summer vacation but does not prevent individuals from attending summer camps. School teams that continue to function as school teams after the completion of SSA playoffs are in violation of the Season of Play Policy.
- III. There is no intent that the Seasons of Play Policy will have any effect on physical education classes or on intramural programs.

5. Athlete Registration

- A. All athletes must be registered in the Sport Registration System (SRS) to be considered eligible for competition against other eligible athletes from SSA member schools; this includes Jr and Sr varsity teams. Registration of athletes/teams must occur regardless of whether the team plans to enter provincial competition. A list of registered teams will be posted on the SSA website and sent to all Zone Managers after each sport registration deadline. Teams that do not appear on this list are not eligible to compete against SSA member schools until such time that team registration takes place. Teams on the ineligible list that continue to compete without registering will be subject to sanctions at the discretion of the Executive Committee.
- B. The Principal of the high school shall be provided with an account to access SRS, the SSA's online registration system. The onus of responsibility rests on the Principal for confirmation of the required eligibility qualifications.
- C. A school cannot register more than one team per category or classification in each activity for SSA provincial competition.
- D. Registrations for all sports must be submitted online through the SRS at [schoolsportalberta.ca](https://schoolsportalberta.ca) **by midnight** of the date indicated.
- E. Late Registrations:
  - I. **Golf, Cross Country, Badminton, Track & Field:** Team registrations after the online registration deadline and before the respective zone tournament deadline will be accepted subject to the late registration

policy below. Additional students will be accepted after the respective zone tournament deadline subject to the late registration policy.

- II. Volleyball, Football, Wrestling, Curling, Basketball, Rugby, Team Handball:** Team registrations after the online registration deadline and player additions after the additional student deadline will be accepted subject to the late registration policy.

**F. Late Registration Policy**

All schools, teams or students registered after the deadline are subject to approval of the Executive Director. Late registrants must meet all eligibility requirements of SSA effective on the date of the registration deadline.

If the registration is approved, the following penalties will apply and be paid to the SSA Office:

- I. Late School Projection or Registration Fees are \$500
- II. Team or athlete registration, or opt-up application occurs within one week after the deadline - \$100
- III. Team or athlete registration, or opt-up application occurs later than one week after the deadline but before provincial qualification - \$200
- IV. Team or athlete registration occurs after the athlete or team has qualified for provincials - \$300
- V. The maximum fee a school can incur for a specific sport before the start of provincial is \$1000. Any late fees incurred afterwards (points f-h) would be in addition to the maximum fee.

25% of all team or athlete late registration fees collected from schools within a zone will be remitted to that zone. The other 75% will be allocated to SSA general revenues.

The following fees are paid to the host and the host retains 100% of these fees:

- VI. Team or athlete attends provincials and does not pay the registration fee within one week after the start of the championships - \$100
- VII. Team or athlete attends provincials and does not pay the registration fee within one month after the start of the championships - \$200
- VIII. Team or athlete attends provincials and does not pay the registration fee within two months after the start of championships - \$300

Schools may appeal the above noted penalties via letter to the Executive Committee. These appeals will be reviewed by the Executive Committee and must be submitted to the SSA Office one week in advance of regularly scheduled Executive Committee meetings.

**G. Registration Deadlines**

- H. Opting-Up: For the provincial team competitions listed below, a school may elect to opt up to a higher classification for a single team, while still retaining its right to enter teams in other activities in the assigned classification of the school. The athletic director or principal must fill in the opt up application form by the date below. The Executive Director will consult with the appropriate zone manager and sport commissioner before deciding to grant or deny the opt up application, based on the following criteria: previous years' results, roster changes, up-to-date season results that must include zone competition.

Opt up deadlines are as follows:

Cross Country	September 25
Football*	September 25
Volleyball	September 25
Basketball	January 8
Badminton	April 8
Rugby	May 8

\*Note: application is not required for 5A football

Schools not opting up by these deadlines will compete at the classification level at which the school is registered.

**I. Withdrawal**

Teams that withdraw their intention to compete at provincials after the deadline are subject to fines as outlined below:

- I. Late withdrawal fee of \$500 - payable to SSA at the discretion of the Executive Director.
- II. A fee equal to the tournament entry fee - payable to the host or organizing committee at the discretion of the Executive Committee.

## 6. Sports Commissioners

- A. Selecting sports commissioners shall be subject to the following:
  - I. Commissioners shall be elected by the Board of Governors;
  - II. They shall be nominated from among the persons eligible to serve on the Board of Governors;
  - III. Commissioners shall serve for a minimum of two years and a maximum of four years;
  - IV. A vacancy occurring during a term of office shall be filled by an interim appointment by the Executive until the next Annual General Meeting;
  - V. Jurisdiction and expenses of Commissioners shall be subject to the approval of the Executive.
- B. The duties and responsibilities of Commissioners shall include the following:
  - I. Providing assistance to host committees to coordinate provincial championships;
  - II. Being familiar with new developments in rules, equipment, coaching techniques, etc;
  - III. Distributing information such as noted in b) above;
  - IV. Presenting recommendations to Provincial Tournament Chairpersons, the SSA Executive, Zone Executive and member schools;
  - V. Acting as a consultant to meetings and committees conducted by groups noted in iv. above;
  - VI. Furthering interest in their sport through the use of bulletins, talks and other forms of publicity and promotion;
  - VII. Liaising with provincial sport governing bodies, the SSA Executive, universities and other agencies;
  - VIII. Attending provincial tournaments;
  - IX. Ensuring the records are noted in the proper publications for their sport.
  - X. Preparing and assisting in annually updating competition handbooks for that sport.
- C. Role of Commissioners in coordinating provincial competition.

The Commissioner plays a critical role in the development of their particular sport with SSA. Since the primary responsibility of the

Commissioner is coordinating provincial competition, leadership should be provided according to the following format:

- I. The Commissioner in concert with the Executive Director shall meet with, or conference call, the competition chairperson (and committee) at least three months prior to the competition for the purpose of reviewing the requirements for the competition as outlined in the SSA handbook and host handbook. For basketball and volleyball, a meeting (or conference call) of the tournament chairpersons for each of the host committees should be called by the Executive Director. For all other sports, the Commissioner, with the approval of the Executive Director, should meet with the tournament chairperson at the site of the competition.
- II. The Commissioner shall receive a written organizational plan from the tournament chairperson no less than two months prior to the event.
- III. The Commissioner should attend the competition to assist with its operation and to evaluate the event. If at all possible, a short meeting should be organized in conjunction with the competition for coaches and administrators. The purpose of this meeting would be to evaluate the event, propose modifications, suggest rule changes and propose changes to any other aspect of the sport. If such a meeting cannot be arranged, an evaluation form should be circulated to participants and then returned to the Commissioner.
- IV. The Commissioner shall be responsible for converting information received from the competitions to handbook modifications and develop Notices of Motion where applicable.

**Note:** It is expected that Notices of Motion submitted by Commissioners will reflect the wishes of a broad representative sampling of coaches across the province and not just the opinion of the Commissioner. Such notices will be submitted to the Executive Committee, via staff, prior to circulation province wide.

SSA shall provide Commissioners with the financial resources necessary to conduct the role outlined above

## 7. Championship and Festival Criteria and Requirements

Two forms of competition will occur under the umbrella of SSA:

- A. Provincial Championships
- B. Partnered Events

**Provincial Championships** are conducted with the support of SSA and all associated expenses for awards are covered by the SSA. Hosts of these events are required to follow the direction of the SSA in conducting all aspects of the Championship.

**Partnered Events** are coordinated by the relevant Provincial Sport Organization (PSO). The SSA and/or its zones partner with the PSO to execute a championship event at the conclusion of the season of play.

Each Partnered Event and Provincial Championship will undergo an annual review to be presented by the Executive Director at either the Annual Planning Meeting (APM) or the Annual General Meeting (AGM) to determine if it is meeting the criteria provided below.

- I. Activities which have Championship status, and no longer meet the Championship criteria, shall be moved to Partnered status at the meeting immediately following loss of that status and will maintain Partnered status for at least three years\*. After the third and each subsequent year, the SSA Executive Committee will review and provide a recommendation to the Board of Governors to either promote that sport to Championship status, maintain Partnered status, or remove it.
- II. Activities which have championships for more than one classification should meet the Championship criteria for each classification. If it does not, the Executive Committee will provide a recommendation (along with rationale) to the Board of Governors to maintain status quo, eliminate or combine classifications.
- III. Activities which have Championship or Partnered status and do not meet Partnered status are subject to deletion as per relevant policy.

\*if the PSO does not want to partner with the SSA to coordinate a high school championship, the activity is subject to deletion as per policy VIII.8

  - II. schedule(s)
  - III. finances
  - IV. rules (including enforcement)
  - V. supervisory protocols
  - VI. first aid provisions

- I. After the third Demonstration event, the process from the second Demonstration will be repeated.
- J. Open invitation from the Advisory Committee and/or PSO to a fourth Demonstration.
  - I. must have participation from at least three zones, twenty schools, 100 students.

After the fourth Demonstration event, the Advisory Committee has six months to decide whether to suspend or cancel the Demonstration, or apply for Partnered status\*. Application needs to be made to the SSA Executive by either October 1 or April 1 and include the following:

- I. Commitment from the PSO to collaborate with SSA to execute Partnered Events for at least three years.
- II. detailed reports from the last two Demonstrations including financial.
- III. Supporting statistics to show that the activity meets the criteria numbers (zones, schools, students) for consideration for Partnered status.

- V. Proposed Season of Play and annual date of the Partnered Events.
- VI. Names of hosts and convenors in place for the first three Partnered Events.
- VII. Draft set of rules used in the events.
- VIII. Draft section to be added to the SSA Policy Handbook.
- IX. Indication of how the events

accommodated teams (i.e. hotels, changerooms, hospitality in general).

\*Note: if the Demonstration exceeds Partnered status earlier than the fourth Demonstration, the Advisory Committee can apply early for Partnered Event status.

The Executive Committee will review the application, and if all materials are in order and all requirements to become a Partnered Event appear to have been met, the Executive will pass on their recommendation to the Board of Governors for discussion at the AGM, where the final decision will be made. If the application is successful, the activity will be granted Partnered Event status for three years.

### Process for moving from a Partnered Event to Championship

Application may be made to the Executive Committee after an SSA recognized Partnered Event has run for three consecutive years\*:

- A. The Advisory Committee for that activity can make an application to the Executive and/or the Executive can recommend an application for Championship status. Application must be made in writing to the Executive Committee by September 1 to be added to the Annual Planning Meeting Agenda (APM). A representative from the activity must be available to present and answer questions at the APM.
- B. Applications must provide the following information:
  - I. Demonstrate the sport meets all Championship criteria.
  - II. Demonstrate positive reviews from convenors, that the Partnered Event has moved around the province (if applicable) and provide financial statements showing the sport and the event are financially sustainable.
  - III. Demonstrate how the activity is a school-based component (i.e. falls under school board jurisdiction, supported by administration, has necessary buy-in from educational staff).
  - IV. Demonstrate organization and commitment to the sport by having SSA hosts and convenors in place for the next two years.
  - V. Have a Commissioner selected to assume the role of Commissioner as described in SSA Policy Section V.5.

\*Note: if the Partnered Event exceeds Championship status earlier than three years, the Advisory Committee can apply early for Championship status.

Upon receiving and reviewing an application that meets all required criteria for consideration of Championship status, the Executive Committee may make a recommendation to the Board of Governors at either the Annual Planning Meeting (APM) or the Annual General Meeting (AGM) for activity approval to Championship status. At the AGM, members will vote on approval of the application.

### Process to add a Classification to a Championship Sport

Application shall be made to the Executive Committee.

- A. The commissioner(s) for that activity can make an application to the Executive and/or the Executive can recommend an application to add a classification. Application must be made in writing to the Executive Committee by October 1 or April 1 to be added to the APM or AGM Agenda. A school-based representative from the activity must be available to present and answer questions at the meeting.
- B. Applications must demonstrate that the activity meets all Championship criteria for any additional classifications requested.

Following a successful application, the Executive Committee may make a recommendation to the Board of Governors at the APM or AGM for (an) additional classification(s). At the AGM, the Board of Governors will vote on approval of the application. A 50% +1 vote is required to pass.

\*Note: a request for more than one classification can be made during an application to move from **Partnered Event** to Championship.

\*Note: multiple classifications can be added at the same time.

## 9. Deleting Activities

- A. Activities which have Championship or Partnered Event status and do not meet the Partnered Event criteria, shall be put on probation for one year. If, at the end of the year, the activity has not met Partnered Event requirements, the continued sponsorship by SSA will be cancelled at the APM (fall activities) or AGM (winter and spring activities).
- B. If an activity has partnered event status but the relevant PSO does not want to support the event, the activity will be deleted immediately.
- C. Whenever an activity is put on probation, it will be announced at the current APM (fall activities) or AGM (winter and spring activities), thus providing member schools this information one year in advance of possible cancellation.
- D. In the event that any classification, tier or category in an activity is cancelled, classifications, tiers or categories for that activity will be adjusted by the SSA Executive Committee and if required, affirmed by the Board of Governors.
- E. If a classification, tier, category or activity is removed, the Advisory Committee or Commissioner for the activity can appeal the decision within two months of the respective APM or AGM if there are unique local or global circumstances around the activity.
- F. If an activity is cancelled, it cannot apply for demonstration for at least three years from the date of cancellation.

## 10. Officiating

SSA will, in conjunction with zone executive and various provincial sport associations, work to establish a network of officials that will provide Alberta high schools with personnel qualified to officiate school competitions at the local, regional and provincial levels.

## 11. Rules

The rules in place at the start of the season of play for each SSA sport will be followed for the entire

season, regardless of any provincial, national, or international rule change that may occur during the season. The Executive Committee will have the discretion, under exceptional circumstances, to provide flexibility as required.

## 12. Provincial Competition

- A. SSA governs the following sports:

Badminton	Curling	Team Handball
Basketball	Football	Track & Field
Wrestling	Golf	Volleyball
Cross Country	Rugby	

- B. Provincial Competition Dates

- I. The dates and locations of the competitions shall be ratified at the Annual General Meeting. Any championship without a host by the beginning of that activity's season of play will be canceled. The Executive Committee may, at its discretion, modify this timeline due to circumstances.
- II. It is the intent of SSA, as far as possible, to establish particular weekends for provincial competitions and to adhere to the set times annually.

### Provincial Championship Competition Dates

For the purposes of competitions, SSA shall use the following **definition of weekend**:

For activities that require a two day competition, the weekend will consist of Friday and Saturday (no SSA provincial competitions will take place on Sunday). This will apply to all similar activities even though a particular competition may be scheduled for only one day. Cross country and football championships are designated for specific days and do not need to be considered in the weekend concept.

Golf	To be held the last Monday/Tuesday of September as approved by the Golf Commissioner
Cross Country	To be held on the third Saturday in October
Football	To be determined annually, but no later than the fourth Saturday in November and the preceding Friday night
Volleyball	To be held on the fourth weekend in November Provincial dates include Thursday
Wrestling	To be held two weeks prior to Provincial Wrestling
• Rural	To be held on the second weekend in March
• Provincial	
Curling	To be held on the first weekend of March

Basketball	To be held on the third weekend in March Provincial date include Thursday
Badminton	To be held on the first weekend in May
Team Handball	To be held on the second weekend in May
Rugby 7s	To be held on the last weekend in May
Track & Field	To be held on the first weekend in June
Rugby 15s	To be held on the first weekend in June*

*\*Only to occur in years when the rugby provincials fall during diploma exam blackout dates (to include the day prior to the start of the diploma exam schedule), otherwise it is second weekend in June.*

### C. Provincial Representation

- I. All individuals and teams advancing to provincials must participate in competition leading to provincial championships where a qualifying competition is required. i.e. district and/or zone qualifying events. Provincial hosts must compete in their zone's provincial qualifying structure until they are eliminated (or win their zone). Failure to do so will result in the host team being ineligible to compete at provincials and the host berth would become a vacant berth. The \$750 fine (point "a" below) would apply.
- II. Any team that checks the "Intent to attend provincials" box in their team registration on the SRS will be considered provincial-eligible. If a Provincial-eligible team qualifies for provincials either as a zone representative or a wildcard/additional berth it is expected to attend provincials. If, for any reason, a qualified team chooses to not attend provincials they will be charged a late withdrawal penalty in two parts:
  - a. a \$750 penalty, to be payable to the team that steps in to replace the non-attending qualified team, in order to cover their last-minute travel costs associated with attending provincials on late notice.
  - b. a \$250 penalty, to be payable to the host in order to cover the administrative costs involved in finding a replacement team at the last minute.

**Note:** In the case where no team is able to step in and fill the berth, the \$750 will be payable to the host committee in recognition of the additional costs they face.

- C. The host zone is given an extra berth. Determination of which school/team receives that berth is at the discretion of the host zone. The decision must be made by 10pm of the Saturday preceding the provincial championship.

Provincial Basketball Championships are open for host bids. Bids must be received by November 1 (17 months before the championship). Zones/schools that can commit to hosting both the boys and girls championships for a classification will be given priority.

If there are no bids received by November 1, the SSA Office will work with the zone managers and basketball commissioners to find suitable hosts, ensuring that zones who have not hosted recently will receive appropriate first right of refusal.

- III. The host zone does not have enough teams in the final ranking period to fill the zone champion, host bid and wildcard berth (for example, a zone has the 3rd and 6th ranked team, is hosting provincials and qualified for a wildcard berth based on zone points; they would receive the zone champion and host berth but not an additional wildcard berth due to insufficient teams).

B. Who receives the vacant berth(s)

- I. In the event of one vacant berth, the zone with the highest point total and sufficient number of teams in the final rankings will receive the berth.
- II. In the event of multiple vacant berths, or if there is still a vacant berth after allocating all zone, host and wildcard berths, any subsequent vacancies will be filled at the discretion of the respective commissioner in consultation with the Executive Director, factoring in the number of berths a zone already has, and teams each zone has in the top 10, then top 15.

**(Note:** maximum berths noted in following pages cannot be exceeded)

The Commissioners will provide the name of the zone receiving the vacant and/or wildcard berth to the SSA Office. All students on the curling team are eligible to compete on any of the school curling teams; however, the athletes that play together at all qualifying events for provincials (e.g. districts, zones) are the ones that form the team that moves on to the Provincial competition.
- B. Each boys and girls team will consist of five students and mixed teams will consist of six students. Mixed teams shall comprise two girls and two boys, with girls and boys alternating at the various team positions.
- C. Only one team per category may compete per school.

### 3. Teams

- A. A team may play with three (3) players with the first two (2) players each delivering three (3) consecutive stones at each end. Under no circumstance may a team play with fewer than three (3) players delivering stones. If a team plays with three players in the mixed division, the alternate order of delivery must be maintained (M, F, M – or – F, M, F). If this occurs while a game is in progress, the delivery rotation can be changed to meet this criterion.
- B. Substitutions may be made during or between games by using the non-playing team member(s) for any team positions (in mixed play, a boy can only be substituted for a boy, and a girl for a girl, following 3.B. above). In mixed play, if a substitute of the correct gender is not available then the team will continue the game with three players in their existing order, throwing 3, 3, and 2 stones. All team members must meet SSA eligibility requirements and cannot be members of other school representative curling teams as established at the qualifying events for provincials (see 3 above). All teams must continue throughout the competition with the listed team members as constituted in the first post-district game of the competition.

### 4. Events

- A. The SSA Provincial Curling Championships shall be held the weekend prior to the Curling Alberta U20 Championships (normally this would put the SSA Provincial Championship on the last weekend of February). The SSA Curling Championships will be held no later than the first weekend of March.
- B. Format
  - I. Each provincial competition shall be a 10 team spiel with each zone having one entry in each of the three categories. The Curling Commissioner will build competitively-balanced pools based on previous years' results while ensuring that teams from the same zone are placed in separate pools.
    - a. The host school will be granted a berth in each of the three categories
    - b. In each category, a wildcard berth will be awarded. The SSA Office will calculate provincial championship history for teams representing their zones for the three years prior to the current school year. Teams that win the gold medal will receive 3 points. Teams that won the silver medal will receive 2 points. Teams that win the bronze medal will receive 1 point. The zone that has the highest total will receive the additional berth in that category.

\* note: if a zone has more than one berth in provincials, only the top finishing team from that zone at the end of provincials collects these points for the zone.

- c. There will be a maximum of 3 representatives from a zone (includes the host teams) in any category.
- II. All games will be eight ends duration. If tied at the completion of eight ends, an extra end or ends shall be played.
- III. Competition in each event shall be two section round robins. At the completion of the round robin, the first place team from each pool will play the second place team from the opposite pool. The winners play to determine the gold and silver medal winners, and the losing teams play to determine the bronze medal winner.

#### C. Hammer

Practice and draw to the button procedures for round robin, tie breakers and medal games:

- I. 30 minutes prior to the scheduled start time, the thirds will flip a coin. The winner of the coin toss will pick practice order and turn for LSD or rock colour. At the end of practice and prior to the first four round robin games, each player, beginning with the lead for game one, the 2nd for game 2, etc.) will deliver a draw to the button. The total distance of the best 3 draws shall be recorded and used as tie breaks after round robin play.
- II. Draws to button may be swept and line called by players on the ice. The coach must stand on the backboards and not be involved in the line calling or sweeping.
- III. Each stone must be measurable in the house.
  - a. If the stone is in the free-guard zone or not in play, a score of 185.4 cm will be recorded. If all four players do not deliver a measurable rock, the skip shall re-throw until a rock is measurable.
  - b. If the stone covers the pin, a score of 0 cm will be recorded for that player. In the event both throwers from each team fail to deliver a measurable stone on their draw to the button, additional throws shall be thrown until a measurable rock is delivered to determine hammer for that game.
- IV. After warmup for the 4th round robin game is complete and all four team members have delivered their draws to the button, the worst measurement shall be discarded and the top three shall be added up for a total team distance. This distance will be used to break multiple way ties after round robin play.
  - a. The team with the lower measure at the end of each team's practice will be awarded hammer in the first end of play.
  - b. The measurements of the three best round robin games will be recorded and totalled for tie breaking placing and determining the hammer in medal games
  - c. All measurements will be done by the third and supervised by the coaches and head official. Measurements will be recorded and collected by the host so that they can go towards the cumulative draw to the button score. Only the first delivered rock is recorded for the cumulative distance. The distance by additional rocks is only used to determine the hammer in the first end if there are ties between the first LSD throwers.
  - d. 1 vs 2 crossover playoff game - The team which finished first in their pool will be rewarded with hammer in this game and a LSD is not required for this game., The team with hammer receives first practice, the other team selects rock colour.
  - e. For the tie-breakers and medal games, the team with the lower combined total from the draws to the button from the round robin games will be awarded hammer and first practice. The other team will select rock colour and have second practice.

#### D. Tie Breaker Policy

The tie-breaking procedure will include the total distance of the top three draws to the button by each team. The measurements of the four round robin games will be recorded and totaled for tie breaking placing only. Head to head records will be used when possible, total measurements from the draws to the button will be used if teams are still tied.

- I. If two teams are tied for first, the game between the two teams will determine first and second places.
- II. If two teams are tied for 2nd, the head to head record between the two tied teams shall be the tie breaker.
- III. If three or more teams are tied for first, teams will be ranked according to policy C i, the top ranked team will be awarded 1st place in the pool. 2nd and 3rd place shall be determined by their draw to the button totals.
- IV. If three or more teams are tied for second place, the teams shall be ranked according to policy C i. The team with the best draw to the button total distance shall be awarded 2nd place and shall advance to playoffs.

#### E. Practice Time

- I. Each team will have a practice of a maximum of five (5) minutes to deliver one (1) rock per player down and back. An extra rock will be thrown by one player at the conclusion of practice for the last stone draw that determines hammer in the first end.

## SECTION XIII FOOTBALL

### 1. Rules

The playing rules used by SSA Football shall be those endorsed by the Canadian Amateur Football Association.

6-a-side and 9-a-side football are official variations of 12-a-side football. For a guide to the variations, please visit the *Resources Section* of the Football Alberta website.

Schools and leagues are responsible for complying with the safety standards regarding equipment. These standards are stipulated in Rule 1, Section 11, Uniforms and Equipment, Articles 1, 2, 3 and 4 of the Canadian Amateur Football Rulebook.

### 2. Season of Play

The season of play for football shall be May 1 to the Alberta Bowl (SSA Provincial Football Championship). Quarterfinals will commence on the second Saturday of November.

The season of play is not intended to include summer holidays, however, teams may begin their season on August 16. See SECTION V – ACTIVITIES, Item 3, for more information.

### 3. Eligibility

- A. SSA shall have football competitions in five classifications:

6-a-side: only 1A/2A teams are eligible

9-a-side: no school population criteria

3A: <700

4A: 700-1399

5A: 1400+

Football classifications are determined using projection numbers (see Policy Section III).

- B. 3A and 4A teams may opt up to a higher classification. Once a team declares their intention, they cannot rescind it after the deadline and are no longer eligible, that season, to compete at any other classification. After the Football Registration Deadline of October 1, a comprehensive list of all football teams will be posted on the SSA website.
- C. Two or more schools may combine to form one football team if the zone(s) approve of such an arrangement. In such cases, the combined populations of the schools will determine at which classification the team will compete.

**Note:** Insurance and liability issues involving students from one school playing for another school are the responsibility of the member schools involved and their local school jurisdictions.

- D. SSA accepts out-of-province high school football teams who are full members in a recognized Alberta high school football league into provincial competition provided they advance through the appropriate zone playoff and are prepared to travel to all games in which they might be involved.

### 4. Representation to Provincials

#### 6-a-side and 9-a-side

- A. SSA supports the Alberta 6-a-side and 9-a-side Football Leagues by providing SSA Provincials Playoffs and the Provincial Championship at the Alberta Bowl.
- I. This support will be revisited every 5 years (years ending in 0 & 5), with the goal of eventually having SSA take over jurisdiction.
  - II. This support is contingent on the premise that all 6-a-side and 9-a-side teams and associated schools in the SSA Provincial Playoffs abide by SSA bylaws and policies and are registered appropriately.
  - III. The playoff structure needs to be approved by the SSA Executive Director by June 25.

#### 3A & 4A

- A. The 3A and 4A Football Playoffs are 8-team brackets made up of a north region and a south region for each classification.
- B. Zones will determine their representatives to provincials for 3A and 4A.
- I. The North Central Zone and North West Zone are combined and must coordinate with one another to determine their representative to SSA quarterfinals.
  - II. If a team plays in a league that is made up mostly of teams from a different zone, that school (or the zone manager of the impacted school(s)) may submit a request to the SSA Executive to compete out of their league's zone for football only. Requests must be submitted by June 15.
- C. Quarterfinal and semifinal matchups will be determined based on proximity (i.e. north and south regions).

- I. North Region - Edmonton, North Central/North West, North East
- II. South Region - Calgary, South, South Central
- III. Central Zone will float and act as an opposite to the wildcard
- D. Regional matchups and host privileges will alternate on an annual basis. Ideally, zones will host once every two years, but may have to travel two years in a row because of wildcard allocations.
- E. All teams must register and declare their intention to participate in provincials through their zone manager by June 15.
- F. If a zone does not have a team registered (with intention to compete in provincials) by June 15, their spot in that classification will be considered a wildcard.
- G. Wildcards are awarded to the zone with the highest number of registered teams as of June 15 in that classification. If that zone already has a second berth, the wildcard will go to the zone with the next highest number of teams. A zone cannot receive more than one wildcard.
  - I. Where a zone has more than one berth, it is that zone's responsibility to determine which team is their #1 representative and which team is #2. This must be communicated to the SSA Office by the Monday before the quarterfinals.
  - II. If there is a tie between zones for the highest number of teams registered, the SSA Office, in consultation with the commissioner and the ranking committee, will make the final decision on which zone receives the wildcard.
- H. If the wildcard allocation results in an unreasonable travel expectation for the wildcard team, the SSA reserves the right to adjust the brackets to ensure greater travel equity.

Wildcards will not be granted home field advantage unless mutually agreed upon by both teams and approved by the SSA Office.

- I. If a team receives an automatic berth into the quarterfinals by virtue of being the only team in a zone at a given classification and pulls out of the quarterfinal game after September 30, that team will be charged \$1,000. The \$250 quarterfinal entry fee payable to the SSA Office and \$750 to the replacement team.
- J. The final draws for each classification (absent of team names) will be sent out by the SSA Office no later than June 30.

## 5A

- A. The 5A Football Playoff is an 8-team Oregon-style bracket which is seeded 1-8, with the higher seed acting as host.
- B. There is no limit to the number of teams that can register for 5A. The top 10 teams will be ranked, and the top 8 teams after the final rankings will move into the playoffs. Once the top 8 are finalized, they will be seeded, and the single game elimination playoff structure will be followed.
- C. To be eligible for 5A SSA playoffs, teams must be registered in the highest division of their league (if relevant) and must participate in any relevant league or zone playoff game.
- D. Independent teams must schedule at least four games against SSA competition, one of which must be against 5A teams.

## Rankings

- A. 5A teams must submit their game results into SRS throughout the season as soon as possible after each game. Rankings will be determined on submitted game results only. Teams are required to submit at least three games in order to be ranked.
- B. Rankings shall be done for 5A by a rankings committee. Recruitment and formation of the committee will be the responsibility of the Commissioner, who shall serve as the Chairperson of the Committee.
- C. The committee shall consist of five members and the Chairperson, with all but the Chair having voting privileges except in the event to break a tie. A Football Alberta representative will have an opportunity to be on the committee but not as a voting member. The committee will be formed as follows:
  - Chairperson: SSA Football Commissioner
  - Northern Representative (NC/NW/NE Zones)
  - Edmonton Representative
  - Central Representative
  - Calgary Representative
  - South Representative (SC/South Zones)
- D. Ranking Committee members cannot be a coach or Athletic Director at a school with a 5A team.
- E. The official SSA Football Rankings Information Package will be posted on the SSA website by June 15 each year. This will include ranking guidelines, timelines for score submissions, ranking submissions, ranking postings, and the appeal process.
- F. There will be two ranking periods. Based on the results submitted, each ranking committee member will determine a provincial top 10.

- G. For each ranking period, the Chair shall review the ranking committee selections and award points to the teams according to their ranking (#1 – 10 points, #2 – 9 points, etc). The Chair shall then total the points into a single listing and rank the teams from highest to lowest according to their total points for that ranking period.
- H. In the event of a tie, the Chairperson shall apply the following:
  - I. Outcomes of any games between the tied teams.
  - II. Outcome of any games against common ranked opponents.
  - III. Outcome of any games against common unranked opponents.
  - IV. Previous ranking of both teams.
  - V. Chair's decision – based on the information provided.
- I. Undeclared teams at the time of final rankings will be guaranteed a spot in the top 8.
- J. After the final rankings are completed, the ranking committee will create the SSA provincial draw by seeding the top 8 teams. It is the job of the committee to produce the most competitive draw. The goal is to have a balanced draw that best reflects the entire season. The seedings will avoid opening round games matching up two teams from the same league or zone provided that the integrity of the draw is not compromised.
- K. The final draw (including the seedings) shall be posted on the SSA website. Teams not in the provincial draw will not receive a public final ranking. Individual ranking committee member selections are not provided.
- L. Schools wishing to appeal the final rankings and/or draw will be able to in accordance with the timelines established in the official SSA Football Rankings Information Package. Such an appeal must be accompanied by a \$50 payment. The SSA Football Commissioner will consult with the rankings committee based on the information available, and, with the approval of the Executive Director, will render a decision to the school. If the appeal results in a change to the rankings and/or draw and the subsequent inclusion of the appellant school, the \$50 will be refunded to that school. Appeals will only be considered if it has been submitted by the submission deadline and includes a complete season record along with a suggested alternate ranking.

## 5. Events

- A. Zones are responsible for hosting SSA quarterfinal and semifinal games. Zones may delegate this responsibility to a school. All playoff games will be broadcasted, and played in a turf field stadium, which must have a score clock, change rooms, lights, spotter booth, adequate media and timers/scorekeeper booth, and appropriate spectator capacity. Furthermore, proceeds from gate admissions will cover costs of hosting the game (i.e. field rental, officials, medical, etc.).
  - I. Zones will be asked to submit their preferred location for quarterfinal and semifinal games to the SSA Office by June 15. The SSA will include the preferred quarterfinal locations when it publishes the schedules (by June 30).
    - a. Zones may request an exception from the turf field requirement for quarterfinal games provided all other hosting requirements are met. The request must be made to the SSA Executive Director within two weeks of the quarterfinal.

#### A. 7s

- I. A Rugby 7s Championship will occur two weeks before the Rugby 15s Provincial Championships.
- II. Regarding Policy VIII.6: as an existing activity prior to the implementation of that policy, SSA will continue to support 7s by providing provincial championships in two classifications:

3A: <700

4A/5A: 700+

This support will be revisited every five years (years ending in 0 & 5).

- III. Hosting of the 7s Championship is open to bids from a school or zone. If no bids are presented, the championship will be awarded based on a rotation as follows:

2026 - South

2027 - Calgary

2028 - Edmonton

2029 - South

The Rugby Commissioners, will confirm the draw one week after the May 15 deadline, when the number of zones with teams intending to attend the Championship is confirmed. The following criteria will be used to determine the draw:

- a. Zones will determine their representatives to the Championship
- b. Each zone with at least one eligible team will be guaranteed a berth
- c. If there are less than six teams in a gender and classification, classifications will be combined. If the total number after combining classifications is still less than six teams, that category will be canceled for that season.
- d. The number of teams competing cannot exceed 10 in each classification per gender
- e. Wildcard or Vacant Berth Allocation:

In the event that a draw needs to be filled with non-zone-winning teams, the Commissioners will award berths to zones at their discretion upon approval by the Executive Director. The commissioners

will use a number of factors, including, but not limited to the following (not necessarily in order):

- previous years results
- current season perceived strength of zones
- number of teams registered in each zone

f. Teams will be divided into pools by the commissioners

i. Teams from the same zone will be placed in separate pools when possible

IV. Event rosters shall not exceed 19 players. The number of interchanges must not exceed 14.

V. Teams will play the other teams within their pool and be ranked at the conclusion of pool play. The following point system will be used:

Win	4 Points
Tie	2 Points
Bonus: 4 tries or more	1 Point
Bonus: Loss by 7 or less	1 Point
Loss by more than 7	0 Points

a. Tie Break

- i. Head to Head
- ii. Win/Loss Ratio
- iii. Number of Tries
- iv. Coin Toss

B. 15s

I. Hosting of the Provincial Rugby 15s Championships will be set on a rotating basis:

2026 - Edmonton

2027 - Calgary

2028 - Other\*

2029 - South

2030 - Edmonton (repeat rotation)

\* If no host bids are received, South will assume the 2028 host responsibility and the rotation will continue with Edmonton in 2029.

SSA will declare provincial rugby 15s champions in two classifications for boys and girls:

3A: <800

4A: 800+

II. The Rugby Commissioners, in consultation with the Executive Director, will confirm the draw one week after the registration deadline of May 15, and the number of zones with teams intending to attend Provincials is determined. The following criteria will be used to determine the draw:

7 or 8 zones = 8-team draw (2 pools of 4 or an Oregon draw if required)

6 zones or less = 6-team draw (2 pools of 3)

Every effort will be made to keep teams from the same zone from meeting in the first round or being placed in the same pool.

### Notes

a. Teams that withdraw their intent to compete at Provincials after the draw has been confirmed will be subject to a penalty equal to the tournament entry fee, which will be paid to the organizing committee directly. This fee will be in addition to the late withdrawal fee of \$250. The Executive will have the sole discretion to impose the penalty based on the rationale provided by the offending school.

b. Wildcard or Vacant Berth Allocation:

In the event that a draw needs to be filled with non-zone-winning teams, the Commissioners will award berths to zones at their discretion upon approval by the Executive Director. The commissioners will use a number of factors, including, but not limited to the following (not necessarily in order):

- previous years results
- current season perceived strength of zones
- number of teams registered in each zone

**Note:** If there are less than six teams in a gender and classification, classifications will be combined. If the total number after combining classifications is still less than six teams, that category will be canceled for that season.

- III. There shall be a limit of 35 players registered on each team's Provincial Roster. Before each match a team must nominate 25 players on a game sheet that indicates name, unique jersey number or letter, captain(s) and designated forwards as per World Rugby law 3.5 (a) and U-19 Variation 3.5 (c). Only players on the game sheet may play, with a maximum of 10 substitutions.
- IV. Length of provincial tournament games will be reduced as necessary to keep within the World Rugby maximum number of minutes allowed.
- V. Decisions relating to the postponement or cancellation of any provincial playoff game will be made by the SSA Executive Director in consultation with the SSA Rugby Commissioners, the Rugby Alberta Minor Officials Association, and the participating teams. In the event of postponement, the championship will be held before the last operational school day in June.
- VI. In provincial competition, all games will begin with a coin toss. The referee will toss the coin and the home team (higher seeded team) will make the heads or tails call. The winner of the coin toss will have the choice of kick or side.
- VII. Tie Break Procedures
  - a. If there is a tie at the end of any of the qualification games, each team shall choose three (3) kickers from the athletes on the field at the conclusion of the game, to drop kick at goal from the 15m line. The referee shall select the spot from which the kicks shall be taken (approximately at centre). The kickers from each team will alternate. All kickers will kick and the team that scores the higher number of successful kicks out of three (3) shall be deemed the winner of the match.
  - b. If there is no winner at the conclusion of "a", teams choose one player that was on the field at the conclusion of the game (this may include one of the first 3 kickers) to take all remaining kicks. The kick will take place at approximately the 15m mark and may be either a place kick or drop kick. This series of kicks will end once one team has had a successful kick and the opponent an unsuccessful kick. After the first kick at the 15m mark, subsequent kicks will be placed using the following:
    - i. If both kickers are unsuccessful twice, the kick will be moved 5m closer to the posts to a minimum of 10m.
    - ii. If both kickers are successful, the kick will be moved 5m further from the posts until one kicker is successful and the other is not.
    - iii. If there is a tie at the end of final/classification games, the teams will play one ten minute overtime period with teams switching ends at half, provided the game is not longer than 60 minutes. If there is still a tie at the conclusion of the overtime, the game will be decided by the tie break procedure for qualification games.

#### VIII. Round Robin Play

- a. If a round robin game ends in a tie, the tie breaking procedure must be used immediately (drop kicks) in case there is a "points tie" between teams at the end of round robin play. This does not determine a game winner, but facilitates breaking a tie later if necessary.
- b. In an 8-team draw, the first place team from each pool will compete for the championship, second place teams for 3rd, third place teams for 5th, and fourth place teams for 7th. In a 6-team draw, the top two teams from each pool move onto the championship side on Saturday, and the 3rd place teams will play each other for 5th.
- c. Teams will earn points in the standings after each game according to the following:

Win	4 Points
Tie	2 Points
Bonus: 4 tries or more	1 Point
Bonus: Loss by 7 or less	1 Point
Loss by more than 7	0 Points

- d. The standings at the completion of the round robin will be determined by the ranking of teams according to points awarded above.
- e. If, at the conclusion of the round robin, there is a tie between teams based on points awarded, the team with the better win/loss record against the teams with which they are tied shall be deemed higher in the standings.
- f. If the teams are tied had a draw in the round robin, the team that won in drop kicks will be ranked ahead
- g. If there is still a tie, the team that scored the most tries in games against each other shall be deemed higher in the standings.
- h. If there is still a tie, the team that scored the most goals (converted tries being of higher value than unconverted tries) in games against each other shall be deemed higher in the standings.
- i. If there is still a tie, the team that scored the most drop goals in games against each other shall be deemed higher in the standings.
- j. If there is still a tie, the team that scored the most penalty goals in games against each other shall be deemed higher in the standings.

- k. If there is still a tie, the team that has a higher points differential (game points for divided by points against) shall be deemed higher in the standings.
- l. If there is still a tie, the above process will begin again and include complete pool results.
- m. If there is still a tie, there will be a coin toss.

- A. Each team participating in the Rugby 7s Championship or the Rugby 15s Championship will pay an entry fee to cover the costs of the Championship.

- C. Allow teams to list up to 15 players on the scoresheet.

In determining the body of the uniforms, the sleeves and collar should be ignored. The style and trim of the libero’s shirt, jersey and/or shorts may differ from their teammates.

- I. There will be separate ranking committees for each gender consisting of at least three members and the Commissioner, with all but the Commissioner having voting privileges. The respective committees will be formed as follows: North Region (NE, NW, Edmonton), Central Region (C, NC), South Region (SC, S, Calgary)
- II. Recruitment of ranking committee members as well as determination of the ranking timeline will be the responsibility of the Volleyball Commissioners annually.
- III. A total of three (3) rankings will be developed prior to the power pool rankings for the provincial tournament. A final ranking will take place on the Sunday preceding the championship Tournament after all qualifying teams have been identified. A ranking timeline will be posted no later than September 7 annually.
- IV. By 12:00 p.m. on Monday prior to each release date, each committee member is responsible for procuring and emailing all other committee members any information deemed important to an accurate and valid ranking. This information shall include, but not be limited to:
  - a. final standings from tournament play that involve prospective ranked teams in their zone
  - b. match results for league play involving prospective ranked teams in their zone
  - c. general comments about prospective ranked teams and their players (injuries, etc.)
  - d. a preliminary ranking based on all available information collected to that point (1st, 2nd, 3rd, etc.)

All members will have access to the results through SRS. By 6:00 p.m. on Tuesday of the ranking week, each member will submit their rankings on the SRS; a reverse points ranking will be applied, meaning that a team that receives a first place ranking will receive 10 points. A second place ranking receives 9 points and so on.

The SSA will post the rankings on the SSA website. On the Sunday prior to the championship, the ranking committee will create a final ranking for all 12 qualifying teams by conference call. Once ranked, the teams will be placed into competition pools as outlined below in point 5.

## 7. Representation to Provincials

### Additional Berths 1A-3A

- A. The SSA Office will calculate provincial championship history for teams representing their zones for the three years prior to the current school year. Teams representing their zone at provincials during this time will receive zone points based on the following criteria: gold medal-4 points; silver medal-3 points; bronze medal-2 points; 4th place-1 point\*. Cumulative three-year point totals for each zone will be calculated. The first additional berth will be awarded to the zone with the highest point totals.  
\* note: if a zone has more than one berth in provincials, only the top finishing team from that zone at the end of provincials collects these points for the zone.
- B. For the final additional berths, each zone will receive one (1) eligible team to be considered for the wildcard berth. After each zone championship, the team(s) who are eligible to be considered for a wildcard berth will be the highest placed team in each zone that has not already qualified for the provincial championship (even if they are in the zone that is hosting the championship).
- C. During the provincial championship ranking conference call, the Ranking Committee will discuss the merits of each team, based on the strength of their zone, as well as each individual team's strength Provincially throughout the season. Based on the discussion and the recommendation of the Ranking Committee, the SSA representative and the Volleyball Commissioners will choose the best team to receive the wild card berth into the Provincial Championships.
- D. If there is a tie between two or more zones for the first additional berth awarded through points, the zone with the highest standing at the completion of the previous provincial championship tournaments will be allocated the additional berth. If still tied, the zone with the highest place finish at the next most recent provincial championship shall be allocated the berth. If still tied, subsequent previous provincial competitions shall be reviewed in descending order until the tie can be broken.

## 8. Competitions

- A. Each zone with at least one registered team intending to compete at provincials gets one berth for each championship.
- B. The host zone is given an extra berth. Determination of which school/team receives that berth is at the discretion of the host zone. The decision must be made by 10pm of the Saturday preceding the provincial championship.
- C. All remaining spots to fill the 12-team draw will be filled by wildcard berths as per point 7.

All volleyball provincial championships are open for host bids. Bids must be received by April 1 (17 months before the championship). Zones/schools that can commit to hosting both the boys and girls championships for a classification will be given priority.

If there are no bids received by April 1, the SSA Office will work with the zone managers and volleyball commissioners to find suitable hosts, ensuring that zones who have not hosted recently will receive appropriate first right of refusal.

## 9. Provincial Championship Draws

The Volleyball Commissioners, in consultation with the Executive Director, will confirm the draws one week after the registration deadline of October 1, and the number of zones with teams intending to attend Provincials is determined. All championships are 12-team tournaments, however, if there is only one available host and they are limited to facilitating a 10-team tournament, the Executive Committee may acquiesce.

- A. After each zone and the host berths are determined, wildcards will be allocated as per Policy 5 to fill out the draws

Every effort will be made to keep teams from the same zone from being placed in the same pool so long as the integrity of the draw is not compromised.

### B. 10-team tournaments are two pools of five.

Pool A	Pool B
#1	#2
#3	#4
#5	#6
#7	#8
#9	#10

Playoffs:

The #1 seeds from the two pools move directly into the semifinals.

The #2 seeds play the #3 seeds in crossover quarter finals - winners advance to the semifinals, losers play for consolation.

The bottom two teams in each pool are eliminated.

### **C. 12-team tournaments follow the Power Pool format**

The teams will be ranked into three competition pools by an SSA ranking Committee. Teams ranked 1–4 are in Pool A; teams 5–8 are in Pool B; and teams 9–12 are in Pool C. All teams will play a best two-of-three match against each of the other teams in the pool on the Thursday of the championship. After these matches, the teams will be seeded into the playoff round based on the final standings in the pool. The current CVA VC tie-breaking procedures will apply if necessary to complete the final standing of teams in each pool. Teams that finish last in their pool will drop to the next lower pool for seeding in the playoff round and teams that finish first in their pool will move up to the next higher pool for seeding in the playoff round. For example, if a team plays in Pool B (5–8) and finishes last, it will drop to the top of Pool C and be seeded 9th for the playoff round. The team finishing first in Pool C (9–12) will move up to the bottom of Pool B and be seeded 8th for the playoff round.

#### **Playoff Round**

Based on the power pool results all teams will then be seeded from 1–12. The playoff round follows a 12-team elimination schedule.

#### **4A/5A**

First round play will be a best three-of-five match involving team 5 vs 12, 6 vs 11, 7 vs 10 and 8 vs 9 – with the top 4 teams receiving a bye for the first round. Every match on the championship side of the playoff round, including the bronze medal match, will be best three-of-five. Once a team has been eliminated from the championship side, all remaining matches will be best two-of-three. Teams will continue to play for final placement (1–12).

1A/2A/3A follows the same format, but all matches are best two of three.

All draws must be approved by the SSA Office and the respective commissioner before being finalized. (Hosts will be given templates by the SSA Office.)

## SECTION XIX WRESTLING

### 1. Rules

The rules shall be those of the Wrestling Canada Lutte (WCL) with the exceptions being those specifically adopted by the SSA:

- A. All wrestlers competing in an SSA sanctioned event have the option of wearing a mouth guard or not. If during competition the mouth guard comes out, it may be replaced at an appropriate time at the official's discretion.
- B. Wrestlers are required to wear a red or blue singlet for SSA rural championship and provincial championship events as per the requirements in the WCL rulebook for a national championship. As exceptions to this rule, the SSA allows a school team to wear a singlet of school colour(s) which may or may not display a school logo and/or name. Also athletes are permitted to wear a sport hijab also black or matching colour. All permitted items must be free of metal or plastic fastenings and free of pockets. #### E. Protests

Protest procedures and resultant consequences will follow the WCL on mat protocol. An iPad (or similar device) will be used to review any on mat protest. The AAWOA will provide the technology and tripod, as necessary, to host venues for the wrestling rural and provincial finals events.

### 2. Provincial Affiliation

Each athlete and/or coach registered through the SSA process will also receive discounted access to Alberta Amateur Wrestling (AAWA) membership. A nominal event fee per athlete and/or coach will apply to all AAWA-sanctioned tournaments, camps and clinics. This fee will not apply to any athlete and/or coach whom is already a current AAWA member through club programming. AAWA membership grants access to AAWA programming. AAWA membership allows SSA members to access the AAWA officials for coverage at SSA events. SSA members do not gain access to any non-SSA event (i.e., Alberta Junior Olympics, Alberta Open, Alberta Winter Games, Arctic Winter Games, Camps, etc.) and/or AAWA programming (Including AAWA funded programs) without purchase of specific AAWA membership at additional cost. In order to facilitate this process, the SSA will provide demographic information with many include names, genders, age/birthdates, school location/residence (i.e. team and location) as required by the AAWA for insurance purposes and/or AAWA funding requirements.

- B. At provincials, Calgary, Edmonton and rural zones may each enter five male and female wrestlers per weight class who attended the qualifying tournament at that weight class. In the event that any zone cannot send five athletes per weight class to the provincial tournament, an attempt will be made to fill those vacancies from the other zones. Preference for filling single vacancies will be offered first to the host zone. In situations where there is more than one vacancy in a weight class, preference for filling weight classes will follow the provincial tournament host rotation with the host zone having first opportunity to fill and will alternate with the remaining zones. Athletes filling vacancies in this manner will not count towards team

points. Team rosters must be submitted to the host chairs for rural and provincial meets at least 48 hours prior to the commencement of the competition.

## 5. Weigh Ins

### A. Weight classifications for SSA wrestling shall be as follows:

#### I. Male competitors:

2026	North (NC/NE/NW)

Should no school or zone within the region bid to host the championship, the next region in the rotation will have first right of refusal to submit a bid to host the championship.

Any weight class with between seven and twelve competitors will use a double pool round robin format. When the number of competitors in any weight class reaches thirteen or more, that category shall be wrestled as a bracket draw according to the WCL rulebook with the exceptions of a cross-over wrestle back semifinal and a re-wrestle for the bronze medal. Ideally, athletes shall not re-wrestle a previous competitor during the cross-over wrestle back. To determine cross-over pairings, the first criteria shall be straight across, the second criteria shall be top-right versus bottom-left and also top-left versus bottom-right. Should both criteria produce a pairing where athletes have previously met during the rural provincial championship, then the first criteria will be used and a re-wrestle during the cross-over will occur.

- III. In the event that no host has come forward to run the Wrestling Provincial Championships by the date of the AGM submission deadline the year prior to the event the SSA Board or their designate will be authorized to book an appropriate venue and appoint a host. This will not alter subsequent years rotation.
- IV. The seeding of weight classes for SSA provincial wrestling championships shall be based upon the following system, where the results of the rural provincial championships, Edmonton city championships and Calgary city championships determine seeding for the Provincial Championships. If an athlete who placed in any of these events does not compete in the provincial championships, the next athlete from that area will be moved up based upon the area results. When a zone is not represented at provincials, the pairing master will have the flexibility to seed the first seeded zone wrestlers, out rotation, so you will have a top seeded wrestler from each of the other two zones in opposite brackets.

Each weight class during the provincial championship with six or more competitors shall be wrestled as a bracket draw according to the WCL rulebook with the exceptions of a cross-over wrestle back semifinal and a re-wrestle for the bronze medal. Ideally, athletes shall not re-wrestle a previous competitor during the cross-over wrestle back. To determine cross-over pairings, the first criteria shall be straight across, the second criteria shall be top-right versus bottom-left and also top-left versus bottom-right. Should both criteria produce a pairing where athletes have previously met during the provincial championship, then the first criteria will be used and a re-wrestle during the cross-over will occur.
- VI. The first place and second place wrestlers from each of the qualifying tournaments (Calgary, Edmonton, Rural) are the only eligible athletes for seeding and shall be seeded according to item B.iii. above. For procedures on bracket draw, seeding, placement of byes, disqualification, classification, round robin procedures, team classification and tie-breaking criteria for round robin pools and/or team placement see the current WCL rulebook (Part Six: Responsibilities of the Pairing Master). For an athlete to be substituted, they must be nominated by their coach and their provincial qualifying tournament host (Calgary, Edmonton or Rural) to a committee by the start of weigh-ins. The committee shall consist of the three qualifying tournament hosts or their proxy, the Provincial Championship Committee Chair or proxy, the drawmaster and the SSA Wrestling Commissioner. In the event of a tie, the SSA Wrestling Commissioner shall carry the deciding vote.

### SECTION I – PROVINCIAL CHAMPIONSHIP INFORMATION

#### 1. Procedure for bidding to host Provincial Competitions

Bid application information is available at [schoolsportalberta.ca](http://schoolsportalberta.ca).

##### A. Deadline

- I. Bids for winter and spring sports will be accepted at the Annual Planning Meeting (APM) ~16 months prior to the event. The deadline for bids to be received for this meeting is November 1.
- II. Bids for fall sports will be accepted at the Annual General Meeting (AGM) ~16 prior to the event. The deadline for bids to be received for this meeting is April 1.
- III. If there is more than one bid from a zone, the zone will determine which bid will move forward and the zone manager will inform the SSA Office of their choice.
- IV. Bids will only be considered and voted on one year at a time.
- V. Events that are on rotation do not require a bid form.
- VI. All Provincial Championship hosts, including those on rotation, will be required to sign an MOU within one month of the meeting in which the bid has been awarded.

##### B. Executive Committee Review

- I. All bids received by the deadline will be reviewed by the SSA Executive Committee at a meeting prior to the APM or AGM. The SSA Office will work with bid applicants to ensure bids are complete.
- II. The Executive Committee will either accept or reject applications. Combined bids will be given priority (e.g. 1A boys & girls for basketball or volleyball). Accepted applications will be forwarded to the SSA Board of Governors for ratification at the appropriate meeting (APM or AGM).

##### C. Review & Acceptance

- I. Championships with only one bid by the respective deadline will win the right to host by acclamation, provided it gets Executive Committee approval.
- II. Contested bids will be required to submit a presentation (~five-minutes) for the Board, who will then determine the winning bid.
- III. Commissioners for that sport and the Executive Committee cannot speak to support a particular bid but may speak to address concerns they may have about the ability of a school to host a particular provincial championship.

##### D. Bids from the Floor will not be accepted.

##### E. Vacant Bids

If there are vacant bids following the APM or AGM, the Executive Committee may accept a bid without approval of the Board, provided the bid applicant has submitted the bid through their zone, and has the ability to successfully host provincials. If more than one bid is received, the schools bidding have the option to submit a 5-minute AV presentation as noted above.

#### 2. Recommended Facility Requirements for Housing Competitions

##### A. Competitions

##### I. Accommodations

If there is not an official Partner Hotel within a 30-minute drive of the main event site the tournament committee should attempt to negotiate a reduced rate for visiting competitors and inform all zones of the arrangements. The hotel should be requested to hold all blocked rooms until 9 p.m. on the Monday prior to provincials.

##### II. Concessions

Concessions should be provided at the discretion of the organizing committee and with menu choices that keep the best interests of student athletes in mind.

##### III. The following facility requirements are needed at the host locations:

##### a. Badminton

A minimum of 24 courts are required and ideally these should be located at a maximum of two

schools (ideally one location for all if possible). All matches in a particular event should be played at one location. The ceiling height should be a minimum of 22 feet and all court markings should be clearly legible with at least five feet clearance on all sides. Adequate change, shower and locker facilities for all competitors must be provided.

#### **b. Basketball**

Floor size, floor markings and backboards must comply with current rule specifications. An adequate score clock is essential, as is a safe clearance around court boundaries. Due to the increased number of teams attending Provincials, a draw format now appears in policy.

Suggested minimum spectator capacity:

1A/2A - 500

3A - 1000

4A - 1500

5A - 2000

#### **c. Cross Country**

The course should be laid out in an area that will provide a variety of terrain for all distances to be run. It is essential that each route be clearly marked to avoid confusion for the participants. Although parts of the course should be challenging, care must be taken to avoid routes that could be dangerous in the event of rain or snow conditions. An adequate sound system is essential along with showers, ample toilet and change facilities and a first aid station.

#### **d. Curling**

The host must be able to accommodate the boys, girls and mixed competitions. Minimum number of sheets is 6, with 8 being the most ideal.

#### **e. Football**

See Football Policy 5. Events

#### **f. Golf**

Two 18-hole courses in the same vicinity are required. Courses should be in reasonably good condition with grass greens. Clubhouse facilities are not essential but a concession is desirable.

#### **g. Rugby**

The host facility should have a minimum of four fields, equipped with regulation rugby posts. Parking facilities should be sufficient to accommodate spectators. Several medical aid personnel are essential.

#### **h. Team Handball**

This event is held at Level 1 Sports in Edmonton on an annual basis.

#### **i. Track & Field**

See Track & Field Policy 4. Events Point B

#### **j. Volleyball**

A minimum of two regulation courts are required to host a tournament. If two tournaments are hosted at the same location, then four courts are required. Courts should have a ceiling clearance of at least 20' and 4'5" clearance around all boundaries.

Suggested minimum spectator capacity:

1A/2A - 200

3A - 400

4A - 600

5A - 1000

#### **k. Wrestling**

The primary requisite is to have sufficient good quality mats available to allow the meet to run in the time available. At least three quality competitive mats and a warm-up area are essential, and if the number of entries warrant, a fourth competitive mat might be required. It is recommended that mats be 9m in diameter, with a 1.2m protection area. Scoring and timing devices are needed as well as accurate scales (at least two), mat transporter, sound system, first aid supplies, several medical aid personnel and items essential for the officials. Spectator accommodation for up to 300 should be provided.

### 1. Lorne Wood Award

This award is designed to recognize school administrators who actively model, support and promote sportsmanship by their involvement in their school's athletic program.

In 2005, the Lorne Wood Award was given out at the Annual Planning Meeting dinner each year. The first award was presented in December 2006 in Red Deer.

Hired as the first Executive Director of the association, Lorne led the association through the third and fourth decades of its existence – a time of growth in association initiatives and addition of new sports. In addition to using his dedication and superb organizational skills to set the association on a solid Lorne was largely responsible for negotiating with the provincial government to secure funding support for school sports. His excellent organizational skills involved him as vice-president of the Alberta summer games in 1978 and an active role during the commonwealth games in 1978, Universiade in 1983, and more.

Lorne was the consummate volunteer, taking on roles like North Central Zone President and coordinator of several championship events; he was also Badminton Commissioner and Executive Committee member before taking on the role of Executive Director in 1975. In retirement, Lorne was an active member of his community, successfully lobbying for new recreation facilities and golfing regularly until his untimely passing in 2004.

## 2. Robert H. Routledge Award of Merit

The Robert H. Routledge award is presented annually in the recognition of both outstanding service to the students of Alberta schools in the promotion and operation of an athletic program and through their contributions to high school athletics on a province wide basis. Specific priority will be given to individuals who have been involved with committees and/or initiatives of the association including but not limited to the Executive Committee, Board of Governors, Zone Executive, Championship Host committees, Conference committees, etc.

A key figure at the inauguration of the association in 1956, Bob was a constant guiding force in its policies and activities. He believed in the beneficial effects to adults and youth alike of properly directed sports and athletics. He sought to involve as many boys and girls as possible in sports programs, to stress courtesy and sportsmanship above winning, and to consider first the health, fitness, intellectual and emotional growth of the participants.

Bob's personal accomplishments as a physical educator are well known. From rural school teacher with a liking for sports and gymnastics, he progressed to Provincial Recreation Supervisor, to high school physical educator, to Assistant Supervisor of Physical Education with the Edmonton Public School Board and, finally, to Professor of Physical Education at the University of Alberta, with his doctorate pending at the time of his passing (April 25, 1970).

His integrity and sincerity were evident, and his enthusiasm for his work infectious. No wonder his peers listened to his opinions with great respect and sought his advice. With his deep belief in the importance of his job, Bob combined a feeling for words, a unique ability to turn a phrase neatly, with a quick intellect that relished statistical accuracy. These qualities made him invaluable as a policy maker and parliamentarian not only of SSA, but also of the numerous associations both local and national to which, as a person with a deep sense of professional responsibility, he belonged.

### 1. Alberta Teachers' Association - SSA Convention Agreement

The Alberta Teachers' Association and School Sport Alberta have agreed to the following procedure for releasing teacher coaches from their convention attendance obligations. Such releases only apply to teacher coaches involved with teams reaching the SSA provincial finals.

1. The ATA staff officer responsible for conventions will analyze the schedule and notify convention associations of any potential conflict of dates between the ATA conventions and SSA Provincial finals.
2. The SSA will notify all zones to avoid local convention dates for Zone playoffs.
3. Teacher coaches of teams reaching the provincial finals will request the minimum time required for traveling to competitions when these conflict with conventions and complete the required form found on the SSA website under forms and publications.
4. The Convention Attendance Committee will receive and verify all requests from teacher coaches to be absent from convention to fulfill their coaching responsibilities.
5. The SSA will avoid, whenever possible, assigning teachers to officiate at provincial finals when these conflict with the annual teachers' convention.

## 2.

## The Alberta Teachers' Association

This document shows the contents of Schedule 1.1 of the Professional Conduct and Competency for Teachers and Teacher Leaders Regulation.

### Definitions

1 In this Regulation,

(c) “ideological advantage” means perspectives taught to students in a biased manner with the intent to take advantage of a student’s uninformed or under-informed opinions, but does not include programs of study established under the Act;

(d) “student”, for the purposes of the code of professional conduct referred to in section 225.5 of the Act, includes a child enrolled in an early childhood services program.

### Preamble

This code of professional conduct for teachers and teacher leaders is established in accordance with section 1.1 of this Regulation.

This code does not prejudicially affect any right or privilege guaranteed by the Canadian Charter of Rights and Freedoms or any constitutionally protected religious instruction right or privilege under section 93 of the Constitution Act, 1867.

Teachers and teacher leaders shall comply with this code.

Sections 225.4, 225.5, 225.91 and other sections of the Act provide the legal framework for this code, including mandatory compliance and procedures for alleged non-compliance.

Conduct that does not comply with this code constitutes unprofessional conduct in accordance with the Act.

Any person may make a complaint pursuant to the Act about alleged unprofessional conduct of a teacher or teacher leader, which may result in disciplinary action impacting a teacher’s or teacher leader’s suitability to hold a certificate.

Unprofessional conduct and professional incompetence are defined separately in the Act. This code does not apply for the purposes of determining professional incompetence.

The Teaching Quality Standard, Leadership Quality Standard, and Superintendent Leadership Quality Standard establish professional development requirements for teachers and teacher leaders.

This code applies to the conduct of an individual teacher or teacher leader. Matters pertaining to the administration of school authorities are subject to applicable legislation.

The conduct of teachers and teacher leaders, both on and off duty, bears directly on the community’s perception of the ability of teachers and teacher leaders to fulfill their unique position of trust and influence. Society and the school community hold teachers and teacher leaders to a high standard of conduct. ### 3. Comments on Harrassment, Screening and Hazing

#### Harassment

All participants in school sport are entitled to an environment which is pleasant, professional and free of harassment. This entitlement however carries with it expectation that all participants in school sporting activities including, but not limited to: athletes, coaches, administrators, officials, spectators will conduct themselves in an appropriate and responsible manner, with due respect and regard for the rights and feeling of others.

SSA will neither tolerate nor condone any inappropriate or irresponsible conduct, including any form of behaviour which creates an intimidating, hostile or offensive environment for school sport as a result of harassment of an individual or group on the basis of but not limited to the following: gender, ethnicity, race, socio-economic status or religion.

Reports of school athletic related harassment occurring at any time during the school year may be made to the Executive Director, who will first confirm that any ATA related requirements have been followed (i.e. if a teacher is involved in reporting on another teacher, the ATA Code of Professional conduct, items #13 and #14 requires a copy of the complaint to be provided to the teacher in question). If the Executive Director is satisfied that the appropriate steps have been followed, they will provide written information pertaining to the harassment complaint to the SSA Executive Committee. Upon review of the complaint by the Executive Committee, they will direct the Executive Director in whichever manner they choose appropriate. Most likely this will include submitting the report directly to the Principal of the school and the superintendent of the school board(s) that has teachers, students, coaches or other individuals involved in the reports. The school and board involved will be expected to invoke its policy on harassment to deal with the incident and will be asked to report back to the SSA in writing with any decisions they have made. The SSA will adhere to all decisions made by the school and board(s). The school board, not the SSA, will deal with appeals to decisions made by the school board(s).

#### Screening

SSA understands that it is the responsibility of schools and school boards to conduct the appropriate level of screening and background checks for teacher coaches, non-teacher coaches and other volunteers who will be working in any capacity with high school student athletes or school sport teams.

#### Hazing

Hazing, sometimes known as initiation, has been receiving media attention in recent years and is an area that SSA feels schools need to be aware of. Similar to comments raised in the Harassment section on the previous page, it is the responsibility of schools and boards to handle any concerns that may arise from hazing behaviour in an appropriate manner. While not all inclusive, the SSA defines hazing as follows:

"Any humiliating or dangerous activity expected of a student to belong to a group, regardless of their willingness to participate."

### 4. Conflict of Interest

SSA will follow these general procedures in relation to Conflict of Interest:

1. **Appeals:** Conflict of interest in relation to appeals of SSA policy is covered in the Appeals section of the SSA Policy Handbook (Section VI. F.13)
2. **Disciplinary (Code of Ethics Policy):** A conflict of interest is any situation in which the private interest of an individual member may interfere with his/her responsibility to carry out his/her duties in an official capacity with objectivity and integrity. Such situations may involve the individual directly or indirectly through a family member, business partner or involvement with the SSA or the applicant. Executive Committee members must disclose any potential conflict of interest situation to the Executive Director or Chair at the earliest opportunity and in any case, prior to the participation in any Disciplinary Committee discussions. Any Executive Committee member who is in conflict of interest shall not participate in the appeal and may be replaced by another person who is not in conflict of interest. In the event that two or more members of the Executive Committee are in a conflict of interest position, the Executive Committee may appoint two or more Past Presidents of the SSA to sit on the Disciplinary Committee in substitution of those individuals who are in a conflict position.
3. **Recruitment or Undue Influence (Code of Ethics Policy):** Same as #2 above
4. **Financial:** No member of the SSA Staff or Executive Committee shall sign any Association cheques made out in their name. Any such cheques (salary for staff members or expense claims by executive or staff) must be signed by the appropriate signing authority. All cheques require two signatures.
5. **Other Issues:** Similar procedures regarding conflict of interest will be followed for all other issues as noted in #2 above.
